### 380 - Baker County Service Directory

**NOTICE: OREGON Landscape Contractors Law (ORS 671)** requires all businesses that advertise and perform landscape contracting services be licensed with the Landscape Contractors Board. This 4-digit number allows a consumer to ensure that the business is actively licensed and has a bond insurance and a qualified individual contractor who has fulfilled the testing and experience requirements for licensure. For your protection call 503-967-6291 or visit our website: [www.lcb.state.or.us](http://www.lcb.state.or.us) to check the license status before contracting with the business. Persons doing landscape maintenance do not require a landscaping license.

## HOROSCOPES by Stella Wilder

FRIDAY, JULY 5, 2019  
**YOUR BIRTHDAY** by Stella Wilder  
Born today, you have perhaps more self-control than any other Cancer native, and your ability to shape yourself, mold yourself, direct yourself and chart a course for yourself that leads almost directly to the threshold of success is one that is not quickly or easily to be equaled by anyone else born under your sign. You have a very vibrant and defined "public" self; this is the version of you that you promote in the professional arena, and it is the one that other people fall in love with more often than not.  
SATURDAY, JULY 6  
**CANCER (June 21-July 22)** -- A little quick thinking works wonders today -- especially when you are in the transition phase between planning and implementation.  
**LEO (July 23-Aug. 22)** -- Something that worked very well for you only yesterday may not prove as reliable today. Things are shifting in ways you haven't foreseen.

**VIRGO (Aug. 23-Sept. 22)** -- You're going to want to choose your words very carefully today, as the message you have to impart may not be what someone wants to hear.  
**LIBRA (Sept. 23-Oct. 22)** -- Those who have been watching you of late may be surprised to learn that much of what you've been doing has been calculated for effect.  
**SCORPIO (Oct. 23-Nov. 21)** -- You are afraid that you may prove ineffectual today, but that's just nerves. The fact is that you are ready to make a big difference.  
**SAGITTARIUS (Nov. 22-Dec. 21)** -- You may encounter danger today if you are compelled to travel any significant distance from home. This is a good reason to stay put!  
**CAPRICORN (Dec. 22-Jan. 19)** -- You're getting into the habit of doing something repeatedly that only a short time ago you wouldn't have done at all. What's the upshot?  
**AQUARIUS (Jan. 20-Feb. 18)** -- You'll have little to fear today if you follow the path you've laid out for yourself. Drifting off course can prove hazardous.

**PISCES (Feb. 19-March 20)** -- You would instruct anyone else to look both ways before crossing the street. This holds true for you today -- both literally and figuratively.  
**ARIES (March 21-April 19)** -- You find yourself in a position that causes you more stress than expected -- but then, you've not been paying attention lately, have you?  
**TAURUS (April 20-May 20)** -- You're in no mood to do what you are told today, but that's not a good enough reason to risk angering another. Stay in line!  
**GEMINI (May 21-June 20)** -- Things you do today are likely to inspire others to react in certain ways; it adds up if you look at it from the right perspective.
