"Movie: The Vast of Night"

Andrew Patterson made an impressive feature film directorial debut with this eerie 2019 sci-fi drama about two 1950s New Mexico teens who investigate the source of a strange audio frequency coming through the radio, a story framed as an episode of a "Twilight Zone"-esque anthology TV series. Sierra McCormick ("Supernatural"), Jake Horowitz ("A Midsummer Night's Dream"), Gail Cronauer ("Odd Man Out") and Cheyenne Barton ("Transient") star.

"Movie: The Goldfinch"

A wealthy family in New York's Upper East Side takes in a boy whose mother was killed in a bombing at the Metropolitan Museum of Art in this 2019 drama movie from director John Crowley ("Closed Circuit"). Ansel Elgort, Nicole Kidman, Jeffrey Wright, Luke Wilson and Sarah Paulson head a talented cast.

"Jimmy O. Yang: Good Deal"

The comic, writer and actor known for his portrayal of Jian-Yang on "Silicon Valley" shares hilarious interactions with immigrant parents, gives his thoughts on Matt Damon and opines on whether ghosts will haunt one-bedroom apartments in this Nov. 2019 performance at the Neptune Theater in Seattle. (ORIGINAL)

"Movie: Trial by Fire"

Edward Zwick ("Traffic," "Shakespeare in Love") directed this 2018 biographical drama that tells the true, tragic story of Cameron Todd Willingham (Jack O'Connell, "Unbroken"), who was put to death for killing his three children after evidence and testimony that would have exonerated him were suppressed. Laura Dern, Emily Meade ("The Deuce") and Chris Coy ("The Front Runner") also star.
