HOROSCOPES by Stella Wilder

SUNDAY, MAY 31, 2020
YOUR BIRTHDAY by Stella Wilder
Born today, you are destined to be closely involved in the lives of others, either professionally or personally -- or, perhaps, both. You like to work and play with certain people as you mature. You're not one to enjoy dedicating yourself to a group project that is peopled with collaborators you do not know. You are willing to spend a great deal of time developing the kinds of relationships that will pay off for you personally and professionally.

MONDAY, JUNE 1
GEMINI (May 21-June 20) -- You'll be on the front lines today when it comes to controlling the flow of information. You must quickly tamp down any rumors or falsehoods.

CANCER (June 21-July 22) -- You will have the chance to experiment with several strategies today before putting any into action. One becomes a clear favorite.

LEO (July 23-Aug. 22) -- You're not interested in having anyone support you without honest appraisal or criticism. Encourage others to tell you what they think.

VIRGO (Aug. 23-Sept. 22) -- Around and around you go -- or so it seems, and each time you reach for the gold ring to no avail. Things likely turn out differently today.

LIBRA (Sept. 23-Oct. 22) -- You can come up with a viable alternative today when others run dry and have no more good ideas to work with. Is this a permanent change?

SCORPIO (Oct. 23-Nov. 21) -- You can please those closest to you by doing precisely what you've done in the past in similar situations, and what you know best.

SAGITTARIUS (Nov. 22-Dec. 21) -- Others are likely to respond to you in a surprising fashion today, and you must resist the temptation to respond to them in kind.

CAPRICORN (Dec. 22-Jan. 19) -- You are waiting for something that is almost on your doorstep; when it comes, you must resist the temptation to drop everything.

AQUARIUS (Jan. 20-Feb. 18) -- You may be trying a loved one's patience by adopting an attitude about a certain issue that he or she thinks is simply too casual.

PISCES (Feb. 19-March 20) -- In spite of what you think should happen, you'll have to deal with the things that happen in an efficient manner -- and with good humor, too.

ARIES (March 21-April 19) -- What you want is right around the corner, like Gemini natives, you can do certain things to speed up arrival, but don't do too much!

TAURUS (April 20-May 20) -- A recent performance comes under renewed scrutiny today. You can put others at ease by explaining how you are doing things differently now.

MONDAY, JUNE 1, 2020
YOUR BIRTHDAY by Stella Wilder
Born today, you are likely to find yourself front and center in the public eye more often than you might like, but with some effort and effective self-counseling -- or, indeed, counseling from another trusted source -- you can surely learn to take full advantage of this situation, one which was likely not a part of your life plan. You have a number of very special talents, and it can be said that no one is quite like you -- especially of those born under your sign.

TUESDAY, JUNE 2
GEMINI (May 21-June 20) -- You are likely to discover a new talent if you pursue an opportunity that presents itself today. A friend gives you your first introduction.

CANCER (July 23-Aug. 22) -- You'll want to shade your communication with all possible colors; don't just deliver the facts, but be as expressive as you can at all times.

LEO (July 23-Aug. 22) -- You've been trying to hide a certain slowly developing reality for far too long; it's time to start embracing it and using it to your advantage.

VIRGO (Aug. 23-Sept. 22) -- You may not be able to do exactly what you want today, but you can enjoy fully what you're able to do -- provided you allow a friend to join you.

LIBRA (Sept. 23-Oct. 22) -- You mustn't underestimate the power of attraction. Today you're likely to find yourself pulled in a new direction because of it.

SCORPIO (Oct. 23-Nov. 21) -- You may find yourself in a seemingly tough spot, but before the day is over, you'll figure out a way to get out of it -- and shine, too!

SAGITTARIUS (Nov. 22-Dec. 21) -- Take a light, delicate approach today when it comes to one who is critical of what you've been doing lately. He or she will come around.

CAPRICORN (Dec. 22-Jan. 19) -- You can make a showcase of a routine facility or empty space today -- and others will come running because they know what's on display.

AQUARIUS (Jan. 20-Feb. 18) -- You'll want to get in touch with a friend or partner today and talk over an idea that has been bubbling to the surface for quite some time.

PISCES (Feb. 19-March 20) -- Shower others with generosity, and you'll be showered with what you need when the time comes. You're in this together!

ARIES (March 21-April 19) -- It's a good time to acknowledge someone's contribution to your recent success, because his or her help will be needed again soon.

TAURUS (April 20-May 20) -- You will have the opportunity to sit and think for a while about what's going on all around you; a fine idea is likely to be hatched.
