tonight's best

Adriyan Rae

9 p.m. on HIST Mountain Men

This rugged reality series opens Season 9 with a two-hour premiere that opens with "Hunt or Be Hunted." As winter arrives in the Tobacco Root Mountains of Montana, tracker Jake Herak's first lion hunt nearly ends in tragedy. Meanwhile, in the Northwest, trapper Tom Oar and his wife, Nancy, confront a major surge in the local population of coyotes. Immediately following is "Bloody Harvest," in which Eustace Conway of North Carolina and his apprentice, Raleigh Avery, try to restore an antique buzz saw.

10 p.m. on FOOD Summer Rush

Filmed before the coronavirus pandemic turned the restaurant world upside-down, this new four-part reality series follows a family of restaurateurs in Lake George, N.Y., as they work to keep their three restaurants running smoothly during their busiest time of year. Husband and wife Buddy Foy Jr. and Jennifer Foy frequently disagree over decisions at Chateau by the Lake, the high-end eatery specializing in international flavors. Jesse Foy and wife Jessica run Diamond Point Grille, a burger and fish joint, and parents Buddy Foy Sr. and wife Cate own Cate's Italian Garden.

10:30 p.m. on WTBS The Misery Index

A charming new episode called "The Grandma's Special" features a segment on an unforgettable group of older friends who may be senior citizens, but by golly, no one can say they haven't truly lived. Other stories examine what happens when a young bull charges, and what bodily function made a girl lose 10 years of her memories.

11 p.m. on SYFY Vagrant Queen

Syfy hasn't made a formal announcement yet, but it looks like it's going to be "one and done" for this series adaptation of a comic book series by Magdalene Visaggio and Jason Smith, starring Adriyan Rae as Elida, a former queen whose throne was stolen during her childhood. After airing three ratingschallenged episodes, Syfy moved "Queen" out of its primetime schedule, prompting speculation the remaining episodes were being burned off in latenight. In tonight's Season 1 finale, Elida makes a last push to stop the villainous Lazaro (Paul Du Toit).
