tonight's best

Rolanda Marais

8 p.m. on STARZ Movie: A Beautiful Day in the Neighborhood

Tom Hanks earned an Academy Award nomination as best supporting actor for his portrayal of beloved children's TV host Fred Rogers in Marielle Heller's poignant 2019 biographical drama inspired by an Esquire magazine article. Matthew Rhys ("The Americans") stars as a cynical magazine journalist with profound daddy issues, who accepts an assignment to profile Rogers with the intent of exposing the latter as a fraud whose avuncular persona is just a gimmick. Susan Kelechi Watson, Chris Cooper and Maryann Plunkett also star.

8 p.m. on VH1 RuPaul's Drag Race: All Stars

The novel coronavirus pandemic has complicated production on this hit reality competition series, but as Season 5 gets under way, Emmy-winning host and executive producer RuPaul promises fans "a new twist that is so twisted it's guaranteed to twist your twisted minds." Ten queens - including "Drag Race" Season 2 fan favorite Jujubee are returning to the runway to compete for a \$100,000 cash prize, as well as the All Stars crown and a spot in the Drag Race Hall of Fame.

10 p.m. on COM Esther Povitsky: Hot For My Name

If you know rising comedy star and actress Esther Povitsky, it's probably from her recurring role in The CW sitcom "Crazy Ex-Girlfriend" or her own Freeform comedy series, "Alone Together." This new one-hour special finds the self-deprecating comic spending time with her parents, who regularly turn up in her Instagram feed, where she is prone to snooping. She's also known to rifle through fans' bags at her stand-up shows.

10 p.m. on MAX Trackers

Adapted from a crime novel by author Deon Meyer, this new series, a South African-U.S.-German co-production, follows three story lines that ultimately collide in a violent conspiracy that includes diamond smuggling, black rhinos, the CIA and international terrorism. Among the main characters in this thriller are Milla Strachan (Rolanda Marais), a middle-aged woman fleeing domestic abuse in search of a new start; Flea Van Jaarsveld (Trix Vivier), an expert wildlife tracker; and Janina Mentz (Sandi Schultz), an intelligence director. James Gracie and Ed Stoppard also star.

wood's Oscar-winning portrait of an aged gunman. 'R'
