HOROSCOPES by Stella Wilder

SATURDAY, JUNE 6, 2020

YOUR BIRTHDAY by Stella Wilder
Born today, you tend to embrace extremes in thought, feeling and ideology, and what's more, you act on those extremes at every opportunity. This is sure to win you the admiration of those who recognize in your nature and character the kind of bold, devil-may-care attitude that they would like to have themselves, but others may see you as flirting with disaster -- and, therefore, they may keep their distance from you, expecting disaster to befall you at any moment.

SUNDAY, JUNE 7
GEMINI (May 21-June 20) -- The more time you waste today, the less time you'll have tomorrow for the one thing you're really looking forward to doing. Plan wisely!

CANCER (June 21-July 22) -- Signs point to options that fill you with longing for some reason. This may be a sign of approaching danger if personal issues are not resolved.

LEO (July 23-Aug. 22) -- You are likely to win great results today shooting from the hip. Indeed, the less time you take preparing overall, the better. Improvise a bit!

VIRGO (Aug. 23-Sept. 22) -- A good idea comes your way today, and it matters not one iota whose it was -- or why it's now available to you. See where it leads you.

LIBRA (Sept. 23-Oct. 22) -- You stumble upon information that leads you in a new direction very soon. You grow tired of doing things the same old way.

SCORPIO (Oct. 23-Nov. 21) -- The support you need can surely be yours today, but you must be willing to ask -- and to explain clearly what it is you hope to gain.

SAGITTARIUS (Nov. 22-Dec. 21) -- You and a partner are working on something that can bring you handsome returns when things have settled down just a bit. Don't give up!

CAPRICORN (Dec. 22-Jan. 19) -- Look closely at something that presents itself today.

You'll realize you're much closer to a certain goal than you thought.

AQUARIUS (Jan. 20-Feb. 18) -- You are hoping to put an end to a conflict as soon as possible today, but if you've missed a step, your plans for the day will have to change.

PISCES (Feb. 19-March 20) -- Productivity is on the rise, though the outward signs likely suggest you're still having to put up with the same old restrictions.

ARIES (March 21-April 19) -- What you want is right there for you to grab if you're quick about it. If you wait too long, someone may slip in and steal your thunder.

TAURUS (April 20-May 20) -- You are after more support than you are getting at this time, but perhaps you've not been asking for it in the right way. Timing is the key.
