HOROSCOPES by Stella Wilder

SATURDAY, JUNE 13, 2020
YOUR BIRTHDAY by Stella Wilder
Born today, you have a way of "knowing," for want of a better term, just what is going to happen to you one or two steps before it does -- and sometimes this second sight allows you to anticipate what's going to happen with other people as well. This is not something you take too seriously, however, and someone else might bank on such an ability, confident that it could win him or her some healthy profits -- but that's not really your way.

SUNDAY, JUNE 14
GEMINI (May 21-June 20) -- The attitude you bring into the room is likely to be the prevailing one -- and if it wasn't already, it will be. That's the influence you have!
CANCER (June 21-July 22) -- You cannot foresee the future with complete accuracy, but others remark on your ability to anticipate some developments quite well today.
LEO (July 23-Aug. 22) -- It sometimes pains you to be the topic of conversation, especially when it's behind your back. Today, however, that's not likely the case.

VIRGO (Aug. 23-Sept. 22) -- A positive outlook is more than productive today, it's also good manners. No one wants to be around someone who is all gloom and doom.

LIBRA (Sept. 23-Oct. 22) -- What you hear doesn't seem to jibe today with what you think you know -- or so you think at first. A little investigation proves otherwise.

SCORPIO (Oct. 23-Nov. 21) -- You needn't be victimized today. Speak up if you think you've been wronged, and by all means, take your grievances to the proper authority.

SAGITTARIUS (Nov. 22-Dec. 21) -- Nothing seems entirely new today, as if the day has been lived before in some way. You are best to surround yourself with friends.

CAPRICORN (Dec. 22-Jan. 19) -- Affordability is likely to prove a central issue throughout the day. Have you prepared for the spending opportunity that arises?

AQUARIUS (Jan. 20-Feb. 18) -- Someone close to you gives you just what you need today -- and you can return the favor, perhaps not right away, but after a few hours.

PISCES (Feb. 19-March 20) -- Where there was one or two there can soon be three, four or more. You are responsible for providing yourself with all you need.

ARIES (March 21-April 19) -- A mystery surfaces, and you'll be engulfed in some unusual developments as you begin to investigate. All clues are right before you.

TAURUS (April 20-May 20) -- Any changes you may have anticipated are likely to be put off for a time because of the day's events -- some of which you did not anticipate.
