

tonight’s best

Perry Mattfeld

9 p.m. on CW
In the Dark

Murphy and Felix (Perry Mattfeld, Morgan Krantz) really swing for the fences as they make a long-shot attempt to pull off their plan that could end their arrangement with Nia (guest star Nicki Micheaux) in the new episode “The Last Dance.” Elsewhere, Dean (Rich Sommer) finds himself in truly dire circumstances, so he turns to a former colleague for help. Meanwhile, Max (Casey Deidrick) does the unthinkable. Brooke Markham also stars.

10 p.m. on FREE
The Bold Type

Most kids look forward to getting a “Snow Day” to escape their school routine, but tonight’s new episode of that title finds Kat (Aisha Dee) less than overjoyed to be trapped at her new job with her professional nemesis when a blizzard shuts down New York. Elsewhere, Jane (Katie Stevens) asks herself WWJD — “What would Jacqueline do?” — in her dealings with her new staff, while Sutton (Meghann Fahy) struggles to balance love with her career. Oliver (Stephen Conrad Moore) runs into his ex.

10:03 p.m. on HIST
Alone

The participants waste no time getting to work building the shelters that will make or break them as they try to endure 100 days in the Arctic in the new episode “The Rock House.” One person opts to use stone as his building material to provide the best protection from the elements but another participant can’t even find a suitable place for his build site. Other survivalists give priority to procuring food, inadvertently attracting dangerous Arctic predators in the process.

11 p.m. on SYFY
SYFY Wire’s the Great Debate

Actor and comic Baron Vaughn (“Grace and Frankie”) hosts this new series adapted from a wildly successful panel format that became popular on convention and festival circuits. Each episode finds Vaughn welcoming a rotating group of unabashedly nerd-tastic, nostalgia-loving celebrities to hash out some of pop culture’s burning questions, show off their improv comedy chops, engage in cosplay and assorted other fun. Among upcoming guests are Mayim Bialik (“The Big Bang Theory”), Colton Dunn (“Superstore”), “Geek Bomb” creator Maude Garrett, and Jonah Ray of “MST3K: The Return,” among others.
