# EMPLOY OUR CLASSIFIEDS

**HOROSCOPES** by Stella Wilder

TUESDAY, JULY 21, 2020  
**YOUR BIRTHDAY** by Stella Wilder  
 Born today, you are something of a visionary -- one of those rare and wonderful people who can imagine the way things should be and paint a picture of a better world for all to enjoy. Though there are others within the zodiac who are much the same, what you have going for you is your ability to spot, even within one of your own dreams of the future, the one thing you can use to transform fantasy into reality -- and you do it again and again.

WEDNESDAY, JULY 22  
**CANCER (June 21-July 22)** -- This is a fine day to attempt that which you've not attempted. A search for a certain someone yields more than you bargained for.  
**LEO (July 23-Aug. 22)** -- It may be time for you to give someone the information he or she has been asking for -- before you find yourself unable due to timing or distance.  
**VIRGO (Aug. 23-Sept. 22)** -- Take the opportunity today to reorganize things around you to suit your methods. If you don't, you'll have trouble doing even routine things.  
**LIBRA (Sept. 23-Oct. 22)** -- Now is no time for telling secrets. What you know that others don't is certainly best kept to yourself for now, and for the foreseeable future.  
**SCORPIO (Oct. 23-Nov. 21)** -- Do your job today, and don't let anyone keep you from it. Doing someone else's job as well may fall to you late in the day. Keep your eyes open!  
**SAGITTARIUS (Nov. 22-Dec. 21)** -- Don't let anyone pull the wool over your eyes today. Listen to the voices of your own soul, and you'll remain clear of any dangers.  
**CAPRICORN (Dec. 22-Jan. 19)** -- You may have to work both harder and longer today to achieve your goals than you had planned -- but necessity compels you.  
**AQUARIUS (Jan. 20-Feb. 18)** -- Now is a good time for you to sit back and let others do their share. You mustn't be tempted to do that which is not in your wheelhouse.  
**PISCES (Feb. 19-March 20)** -- Pay attention to the signposts you pass today, as you will have to calculate with great accuracy your travel and arrival times.  
**ARIES (March 21-April 19)** -- Keep all judgments to yourself today, and you'll benefit from another's generosity. Remember, last time is not this time.  
**TAURUS (April 20-May 20)** -- You may have a run-in today with someone who brings out both the best and worst in you. It may be time to consider doing something new together.  
**GEMINI (May 21-June 20)** -- You don't want to waste your shot on something transitory when you can invest in that which will build your reputation -- and last a long time.
