HOROSCOPES by Stella Wilder

WEDNESDAY, JULY 22, 2020
YOUR BIRTHDAY by Stella Wilder
Born today, you are perhaps one of the most opinionated individuals born under your sign -- and that's surely saying something, as the vast majority of Cancer natives share with you this particular trait. What makes you different, however, is your tendency to share those opinions freely and openly, without waiting for an engraved invitation to do so, and that will surely result in your gaining a reputation as one who either knows what he or she is talking about, or one who doesn't -- depending on the views of those who are exposed to your opinions.
THURSDAY, JULY 23
LEO (July 23-Aug. 22) -- Someone will be watching you closely to be sure that all you do falls within established parameters. Fear not, you're following all the rules.
VIRGO (Aug. 23-Sept. 22) -- Changes you make today to yourself or your work will not have an immediate impact -- but be patient! Today's efforts pay off very soon.

LIBRA (Sept. 23-Oct. 22) -- You are at risk of overextending yourself at this time. Do what some of those around you keep telling you to do: Take care of yourself!
SCORPIO (Oct. 23-Nov. 21) -- You may discover today that forgiveness is much easier to secure than permission -- though this is a risky way to go about your business.
SAGITTARIUS (Nov. 22-Dec. 21) -- The more important your work today, the more relaxed you must be as you get it done. A friend or loved one affects you indirectly.
CAPRICORN (Dec. 22-Jan. 19) -- Your critics are hard at work trying to prove that your methods are ineffectual, but have no fear! What you've done will speak for itself.
AQUARIUS (Jan. 20-Feb. 18) -- Pay attention to externals today, as they will matter every bit as much as what is going on beneath the surface -- at least for now.
PISCES (Feb. 19-March 20) -- You may find yourself waiting for someone to give you the go-ahead before you can swing into action and do what you've been asked to do.

ARIES (March 21-April 19) -- Complications arise today that may slow you down for reasons at first beyond your comprehension. Later you'll fit all the pieces together.
TAURUS (April 20-May 20) -- You may have to travel farther today than you had expected, but fortunately, you have equipped yourself with all you need along the way.
GEMINI (May 21-June 20) -- Slow and steady wins the race today. You can prove that one needn't be in crisis mode to reach important goals. Show someone how to get things done.
CANCER (June 21-July 22) -- Take care today that you don't skip something that, in the end, will mean the difference between success and failure. It's easy to do.
