HOROSCOPES by Stella Wilder

SATURDAY, SEPTEMBER 5, 2020
YOUR BIRTHDAY by Stella Wilder

Born today, you have no shortage of confidence, and yet you have also been endowed with a kind of vulnerability that works in your favor, as it brings out the best in you when you're faced with difficulties of any kind. Rather than get defensive when you are pushed to the limit, you turn on the charm -- and that is a direct response to your recognition of your very real weaknesses. Rather than fight them, you embrace them and use them as much as possible to further your progress, whether personal or professional.

SUNDAY, SEPTEMBER 6

VIRGO (Aug. 23-Sept. 22) -- You'll want to take certain precautions today, even though the likelihood of an error is very small. Still, safety is your primary concern.

LIBRA (Sept. 23-Oct. 22) -- You can count on receiving more than someone else does today, but that's not something that will

continue. Enjoy this temporary victory.

SCORPIO (Oct. 23-Nov. 21) -- You may have to maneuver carefully today in order to avoid someone's attempts to trip you up. Errors made at this time may be costly.

SAGITTARIUS (Nov. 22-Dec. 21) -- Are you sure you should receive credit for something that happened recently? You may want to think this through; revise your outlook.

CAPRICORN (Dec. 22-Jan. 19) -- You are likely to receive some surprising instructions today, and if you follow them precisely, you should enjoy yourself immensely.

AQUARIUS (Jan. 20-Feb. 18) -- You can begin making plans that you know won't be put in motion for quite some time. They will require much research and preparation.

PISCES (Feb. 19-March 20) -- You may be pulled in many directions today by those you know where your alliances lie. You have something to clear up once and for all.

ARIES (March 21-April 19) -- News

comes to you from near and far that tells you that you're doing the right things -- but you may feel that your timing is slightly off.

TAURUS (April 20-May 20) -- You can enjoy something of an adventure today, and you won't even have to travel far from home. Include a friend or two to double your fun.

GEMINI (May 21-June 20) -- You can win quite easily today, where others are left wanting. Much depends upon your ability to see what's coming and adjust accordingly.

CANCER (June 21-July 22) -- You'll receive credit for an idea that was only partly yours. When the time comes, you must reach out to someone who gave you invaluable help.

LEO (July 23-Aug. 22) -- You can do what others say can't be done -- but you don't want to rub their noses in it, do you? You must remain friends, no matter what.
