HOROSCOPES

by Stella Wilder

SATURDAY, NOVEMBER 7, 2020
YOUR BIRTHDAY by Stella Wilder

Born today, you are not the kind of person to let other people make mistakes without stepping in and trying to undo those mistakes and teach those who made them how to avoid them in the future. This could be trouble, in fact, if you fail to channel this tendency appropriately; it's not something that others are likely to take kindly to as a matter of course, so you must find a way to excuse this behavior -- which others may normally see as intrusive -- by choosing a job or a way of life that allows it as a matter of course.

SUNDAY, NOVEMBER 8
SCORPIO (Oct. 23-Nov. 21) -- Recent progress hasn't been enough, perhaps, to put you "over the top," but you can fill in the gaps today and score a personal victory.

SAGITTARIUS (Nov. 22-Dec. 21) -- Anything you can do to be more warm and personal while dealing with a critical situation will work well for you today. Be approachable.

CAPRICORN (Dec. 22-Jan. 19) -- A friend may be disappointed by your news that things cannot change for now -- but you can do much to lighten the burden he bears.

AQUARIUS (Jan. 20-Feb. 18) -- If you are put in charge of a group or situation, you'll want to stake your claim right away -- and make it clear that decisions are coming!

PISCES (Feb. 19-March 20) -- You may be rubbed the wrong way by someone who is only trying to do what is right. It's your own attitude that needs adjustment today.

ARIES (March 21-April 19) -- You're certainly not lacking opinions, and today you'll have the opportunity to share them. Still, you must let someone else speak, too!

TAURUS (April 20-May 20) -- You may have fallen for someone's deception in the past, but you are immune to such nonsense now -- or are you? Today the truth will come out.

GEMINI (May 21-June 20) -- The irony of a certain situation escapes you, and you're simply feeling put out. Do what you can to explain your position clearly.

CANCER (June 21-July 22) -- You're nearing the end of a particularly fraught period marked by erroneous decisions -- but, fortunately, they have not all been yours!

LEO (July 23-Aug. 22) -- The big things take a backseat today to a few little things that have suddenly become quite urgent. You mustn't wait to deal with them head-on.

VIRGO (Aug. 23-Sept. 22) -- Just because someone's personality doesn't quite please you doesn't mean that he or she must be opposed at every turn. Try to get along!

LIBRA (Sept. 23-Oct. 22) -- You may not agree with those in charge, but before you assert yourself and suggest changes in policy, you'll want to try the official route.
