Frosty the Snowman

In this animated classic, Jackie Vernon provides the voice of Frosty, the legendary snowman with a corn cob pipe and a button nose. Frosty comes to life when a magician's hat lands on his head. With the help of children, he heads for the North Pole before he melts — but he's pursued by the magician, who wants his hat back. Billy De Wolfe supplies the voice of the magician, and Jimmy Durante narrates the tale. The sequel "Frosty Returns" immediately follows.

8 p.m. on LIFE
Movie: Dear Christmas

As host of the popular podcast "Holiday Love," Natalie Morgan (Melissa Joan Hart) entertains her listeners with true stories of love during the season running from Halloween to Christmas. Fans consider Natalie an expert on love, unaware that she's never actually had a serious romance of her own. As she prepares for this year's yuletide podcast, though, she begins to experience her own love, holiday style, with a handsome firefighter (Jason Priestley). Robin Givens, Ed Begley Jr., Faith Prince and Nicky Whelan also star.

8:30 p.m. on NBC
Minions Holiday Special

The beloved little chattering yellow characters from the "Despicable Me" movie franchise celebrate the season in their, um, inimitable fashion as they present a half-hour of holiday-themed mischief and playful, family-friendly adventures in this new special. Fans can expect plenty of their trademark brand of offbeat comedy antics.

11 p.m. on HBO
How to With John Wilson

Quirky filmmaker John Wilson closes out Season 1 of his hilarious odyssey of self-discovery and cultural observation — particular where it involves his fellow New Yorkers — with the finale "How to Cook the Perfect Risotto," in which Wilson tries to thank his landlord by attempting to make her favorite dish. As usual with Wilson and his little films, we're betting it's not really about the rice, if you know what we mean.
