YOUR BIRTHDAY by Stella Wilder

Born today, you are not always as forward-thinking or far-reaching in your personal vision as you might be, but that may often be counterbalanced by the fact that you are one of the luckiest individuals born under your sign! Where others may have to struggle and scrape by to make progress, it seems that fortune simply hands you what you want more often than not -- and you can be sure this will win you many admirers as well as more than your share of rivals and critics.

FRIDAY, DECEMBER 4

SAGITTARIUS (Nov. 22-Dec. 21) -- You can't run from what comes your way today, but you can surely deal with it better if you face it head-on. Fear is not an option.

CAPRICORN (Dec. 22-Jan. 19) -- The possibilities may not be endless today, as you are told by some, but you can find a way to do more than you had originally planned.

AQUARIUS (Jan. 20-Feb. 18) -- Watching a certain someone do a certain thing is like waiting for a train wreck. Why do it to yourself? Steer clear if you can!

PISCES (Feb. 19-March 20) -- Time is ticking away and you've not yet addressed a key concern that others have brought to you. Don't miss the opportunity to do so today!

ARIES (March 21-April 19) -- You'll want to know the cause of all the excitement today. However, when it is revealed to you, you may wonder what all the fuss is about.

TAURUS (April 20-May 20) -- You are keenly aware of all that is going on around you today -- but will that make a difference to you when you swing into action? Not at all.

GEMINI (May 21-June 20) -- Pay attention to the message that is sent your way today, not to how it's delivered. You'll be expected to respond in a timely manner.

CANCER (June 21-July 22) -- Even minor adjustments to the way you do certain things today will yield major results. Even your usual critics will sing your praises!

LEO (July 23-Aug. 22) -- A friend reaches out when you most need a hand -- and soon, even today perhaps, you'll be able to return the favor. You both have a lot going on.

VIRGO (Aug. 23-Sept. 22) -- You must keep your priorities straight today, or someone may swoop in and take from you the very reason you're doing what you're doing!

LIBRA (Sept. 23-Oct. 22) -- Your interest in a certain unusual topic is only growing, and today you have the chance to take a friend on a new journey of discovery.

SCORPIO (Oct. 23-Nov. 21) -- A personal obstacle proves quite stubborn today, but you can overcome it if you keep squarely in mind the prize that awaits you down the road.
