**HOROSCOPES**  
by Stella Wilder

SATURDAY, DECEMBER 12, 2020  
YOUR BIRTHDAY by Stella Wilder  
Born today, you have been endowed with such tremendous talent that it will be very difficult for you to choose just one line of work. Indeed, when you are doing one thing -- and doing it very well! -- you often find yourself yearning to be doing something else, and when you are finally doing that, you want to be doing still something else again entirely! This is a mark of Sagittarian independence, and you aren't likely to be held back by anyone -- professionally or personally.  
SUNDAY, DECEMBER 13  
SAGITTARIUS (Nov. 22-Dec. 21) -- While working on a problem that is primarily a mental exercise, you don't want to ignore the needs of your physical self. Get moving!  
CAPRICORN (Dec. 22-Jan. 19) -- You will want to be sure that you are addressing someone's concerns as openly and honestly as if they were your own. It matters to you.

AQUARIUS (Jan. 20-Feb. 18) -- You must find a way to inspire yourself on this seemingly uninspiring day. Afternoon hours offer an unusual opportunity, perhaps.  
PISCES (Feb. 19-March 20) -- How you express yourself is just as important today -- if not more so -- than what it is you choose to express. Combine style and substance!  
ARIES (March 21-April 19) -- You must be willing to see things the way they are today. Now is no time to attempt any kind of deception, especially if friends are involved.  
TAURUS (April 20-May 20) -- You are not expecting things to line up just right today -- but they will seem to during the hours of the day. Take advantage of this!  
GEMINI (May 21-June 20) -- The more you try to force things into place, the more they will resist you -- and this is true for the people you encounter today. Ease up a bit!  
CANCER (June 21-July 22) -- You'll be keenly interested in what someone is doing

today, especially since he or she will have taken a leaf out of your book.  
LEO (July 23-Aug. 22) -- You must keep your own standards high today, even as those around you begin to compromise. Someone comes to you with a timely request.  
VIRGO (Aug. 23-Sept. 22) -- The more pragmatic you are today, the better for everyone -- especially when those around you seem to be removed from reality in some way.  
LIBRA (Sept. 23-Oct. 22) -- Though you're never likely to choose to go first, today you can reap many benefits from casting trepidation aside and jumping in. Do so!  
SCORPIO (Oct. 23-Nov. 21) -- Claiming that you don't know what's going on will not relieve you of the responsibilities you've already accepted. Get to work.
