**HOROSCOPES** by Stella Wilder

SATURDAY, DECEMBER 19, 2020  
YOUR BIRTHDAY by Stella Wilder  
Born today, you are not only to be found where the action is, but you can also be counted on to be thinking about the whys and whereofers of what you are doing -- and what all those around you are doing as well. You combine perfectly the intellectual and the physical in all that you do, though you do try to keep emotion out of the picture as much as possible, for you do not believe that aspect of your personality really helps you in either your personal life or your professional affairs.

SUNDAY, DECEMBER 20  
SAGITTARIUS (Nov. 22-Dec. 21) -- You must get used to recent changes more quickly than expected. Today you'll have little room to maneuver once you get things rolling.  
CAPRICORN (Dec. 22-Jan. 19) -- You'll want to dispense with any and all disguises or deceptions today. Open, honest talk is your only road toward solving a key problem.

AQUARIUS (Jan. 20-Feb. 18) -- You'll have a better chance of getting a certain thing done if you do it without anyone knowing. You must keep distractions to a minimum.  
PISCES (Feb. 19-March 20) -- The more straightforward you are throughout the day, the more likely you will be to get where you're going in time to make a difference.  
ARIES (March 21-April 19) -- You may not realize just how much you are influencing the decisions of others today. Once the results become clear, you'll know the truth.  
TAURUS (April 20-May 20) -- You can arrange to have things very much as you would like them to be, despite an early difficulty that costs you both time and money.  
GEMINI (May 21-June 20) -- You are committed to a certain project, come what may. Today you'll want others to know just how much you have at stake -- and why.  
CANCER (June 21-July 22) -- You are far more motivated today than yesterday, and yet the reason may be unclear. Later, you'll understand more of what has been going on.

LEO (July 23-Aug. 22) -- You should be able to give someone an opportunity to excel today, even as you take advantage of one yourself. It's a good partnership!  
VIRGO (Aug. 23-Sept. 22) -- You've reached a point in a current project where you are better off slowing down -- or stopping entirely -- to take stock of how much more there is to do.  
LIBRA (Sept. 23-Oct. 22) -- You're likely to be assigned something that doesn't sit well with you at first -- until you realize that seeming dangers are illusory.  
SCORPIO (Oct. 23-Nov. 21) -- You must keep your motives squarely in mind today as you do things that don't seem to be justified. The truth becomes apparent later on.

**HOROSCOPES** by Stella Wilder

SUNDAY, DECEMBER 20, 2020  
YOUR BIRTHDAY by Stella Wilder  
Born today, you are something of a "centrist," one who believes that moderation in all things is worth striving for, and that any extreme view will only serve to bring you down in some way. You do all you can to demonstrate this belief in moderation, and others can count on you to understand and explain as necessary the various competing views in any situation.

MONDAY, DECEMBER 21  
SAGITTARIUS (Nov. 22-Dec. 21) -- A little trial and error can help you solve a problem today -- and you'll prove that someone's way isn't necessarily the right way.  
CAPRICORN (Dec. 22-Jan. 19) -- You'll be able to take a good run at something and get much of it done before your time is up today. This effort is likely to be remembered!  
AQUARIUS (Jan. 20-Feb. 18) -- There's no time for showboating today; you must get the work assigned to you done in the most straightforward and efficient manner.

PISCES (Feb. 19-March 20) -- Background noise proves to be much more than a mere distraction today. Indeed, it gives you all the information you need to solve a big mystery.  
ARIES (March 21-April 19) -- You may realize that you've yet to thank someone who has been instrumental in your own recent success. There's no time like the present!  
TAURUS (April 20-May 20) -- Things not within your control can still be studied, and once studied, they can be understood. That understanding will soon prove essential.  
GEMINI (May 21-June 20) -- You can increase both productivity and personal enjoyment today, without stepping on anyone's toes. This is above all a personal matter.  
CANCER (June 21-July 22) -- What goes on behind closed doors today may offer no end of entertainment and even intrigue -- but is it really worth it to you?

LEO (July 23-Aug. 22) -- You uncover a falsehood today and get things going in the right direction once more. Someone is going to have to give way to you as a result.  
VIRGO (Aug. 23-Sept. 22) -- The decisions you make today will all make sense once they are clearly explained. Until then, however, some around you may be quite confused.  
LIBRA (Sept. 23-Oct. 22) -- Are you able to be critical of your own work today? If so, you'll almost certainly identify one or two things that can be improved right away.  
SCORPIO (Oct. 23-Nov. 21) -- You're tempted to make contact with someone who's been out of the picture for some time, but it'll be hard to anticipate what will happen next.

MONDAY, DECEMBER 21, 2020  
YOUR BIRTHDAY by Stella Wilder  
Born today, you are a strong-willed and eager individual, always at the forefront of anything that is going on, ready to bear whatever burden is necessary to make things work out favorably -- both for you and for anyone working with you. You have a keen mind and an able body; you are never truly out of your depth, and you are more than willing to try something new when the opportunity arises. You recognize that not everyone is suitable for every activity or endeavor, but that doesn't mean one can't try everything.

TUESDAY, DECEMBER 22  
CAPRICORN (Dec. 22-Jan. 19) -- You can combine employment and enjoyment today if you think about what lies ahead in a new way. Your creativity reaches a high point.  
AQUARIUS (Jan. 20-Feb. 18) -- You'll want to figure out just how much your ideas are worth before you spread them around for free. You mustn't sell yourself short today!

PISCES (Feb. 19-March 20) -- Your perception of a negative may be entirely misleading. You'll have to sound out others to find out how you're leading yourself astray.  
ARIES (March 21-April 19) -- Now is no time to sugarcoat things. Speak from the heart, but tell it like it is -- and don't let anyone tell you you're being negative.  
TAURUS (April 20-May 20) -- Your prospects are looking up just as the odds of success are on the rise. Give yourself a break; you can't do everything all at once.  
GEMINI (May 21-June 20) -- You'll get a great deal of information today from someone who works behind the scenes. Soon you'll be able to put it to good use; plan ahead.  
CANCER (June 21-July 22) -- You mustn't simply let things develop as they will today; you must take charge and exert a controlling influence. Others are counting on you.  
LEO (July 23-Aug. 22) -- You'll be captured once more by an interest you thought you had given up quite some time ago. Something is going on to make it relevant again.  
VIRGO (Aug. 23-Sept. 22) -- Focus on tasks you know you can complete in one go. The rest can wait until you've made a plan and arranged for some assistance.  
LIBRA (Sept. 23-Oct. 22) -- Someone is trying to reach you about something you're likely trying to avoid. There's no point in stretching this out further; answer the call!  
SCORPIO (Oct. 23-Nov. 21) -- You may be waiting for a friend to give you the final word before putting a new project into motion. A false start can be dangerous.  
SAGITTARIUS (Nov. 22-Dec. 19) -- Once they start bombarding you today, interruptions will have to be dealt with, as they won't disappear on their own, surely.
