HOROSCOPES by Stella Wilder

SATURDAY, JANUARY 23, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you know how to wait your turn and then, when that turn finally comes, how to make the most of it to ensure you rarely if ever have to wait your turn like that again. You have a number of rare talents, and you will want at an early age to be given the chance to develop them fully and put them to productive and profitable use -- but when you are young, you may only enjoy the occasional hint about what will come later in life.
SUNDAY, JANUARY 24
AQUARIUS (Jan. 20-Feb. 18) -- You may be asking yourself more than once today whether you feel up to the task at hand, but no one else is asking -- they know!
PISCES (Feb. 19-March 20) -- You don't want to be too exact when dealing with a certain tricky situation today -- but on the other hand, someone else isn't exact enough!
ARIES (March 21-April 19) -- You're ready for anything the day has in store -- or so you think. A rival has another idea and may be working hard to derail you if possible.
TAURUS (April 20-May 20) -- You're the boss, and that's that -- and you'll want all those on your team to know it. Take care, however: You don't want to come off as a bully.
GEMINI (May 21-June 20) -- You have prepared for a coming storm, but today it may seem as though the clouds are actually breaking. Take advantage of the lucky chance.
CANCER (June 21-July 22) -- Be clear, concise and confident when speaking to others today -- especially when you are bringing up an issue that others have avoided.
LEO (July 23-Aug. 22) -- You may have the "magic touch" today -- or so a young person might claim, for everything he or she wants you're able to deliver.
VIRGO (Aug. 23-Sept. 22) -- You are not willing to do any more than you had con-

tracted to do today, no matter the potential rewards. Maybe you should reconsider.
LIBRA (Sept. 23-Oct. 22) -- Someone who has discounted you and your efforts can no longer do so, as you have been raising the bar with your performance at the workplace.
SCORPIO (Oct. 23-Nov. 21) -- That which is not for you is not for you -- and you mustn't try to persuade yourself otherwise. A few very serious dangers lie in wait today.
SAGITTARIUS (Nov. 22-Dec. 21) -- Watch and listen to what goes on around you today and you'll be able to answer a few key questions when they arise. Mind your manners.
CAPRICORN (Dec. 22-Jan. 19) -- You may get yourself into hot water by joking around at a time when joking is not at all appropriate. Your apology must be sincere.
(EDITORS: For editorial comments, please contact Hollie Weening at hweening@universityofcalifornia.edu.
