EOE. Requires background and drug screening.
Drug Free Workplace.

HOROSCOPES by Stella Wilder

SATURDAY, JANUARY 30, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are never one to concern
yourself with only one part of an issue; rather,
you always jump in and immerse yourself in
what is going on, grappling with every aspect
of what is most important to you and those
around you. You enjoy making connections
between this, that and the other thing and
coming up with new conclusions based on
your thinking and learning -- and you look
upon life as something of a puzzle to be
solved rather than a journey to be taken.
SUNDAY, JANUARY 31
AQUARIUS (Jan. 20-Feb. 18) -- You're
going to have to work quickly today to get
past a certain obstacle that threatens to derail
you completely. Trust a friend.
PISCES (Feb. 19-March 20) -- Undoing
something that a friend or partner worked
long and hard on may prove distressing -- but
you'll also find that it's necessary.
ARIES (March 21-April 19) -- You must
be ready to absorb a little discomfort today as
you tend to a troubling situation that was not
of your making. Be strong!
TAURUS (April 20-May 20) -- You may
not get an immediate response to a certain
query today -- but that will give you time to
prepare for several possibilities.
GEMINI (May 21-June 20) -- You may
have to take one step backward early in the
day in order to take two steps forward later
on -- but this is nothing out of the ordinary.
CANCER (June 21-July 22) -- The spec-
ifics of a certain situation trouble you more
today than the overall situation itself. You are
best to work on it from the inside out.
LEO (July 23-Aug. 22) -- You are far more
passionate about a certain project than any-
one else on your team -- but that doesn't
mean you must bear every burden yourself.
VIRGO (Aug. 23-Sept. 22) -- A problem
solved today is one more you don't have to
address tomorrow -- so why wait? Even a
partial solution puts you ahead of the game
for now.
LIBRA (Sept. 23-Oct. 22) -- What you do
for entertainment's sake is likely to be far
more important to others -- and this is some-
thing you must come to understand!
SCORPIO (Oct. 23-Nov. 21) -- You have a
sense of what's to come, but no specific
knowledge to back it up. You'll have to wait,
then, for others to jump on the bandwagon.
SAGITTARIUS (Nov. 22-Dec. 21) -- The
time has come for you to stop reacting to
what is happening to you and start doing
something about it. What's really holding you
back?
CAPRICORN (Dec. 22-Jan. 19) -- You
know full well what's likely to happen to you
if you continue along your current course --
but is that really what you want?
