**YOUR BIRTHDAY** by Stella Wilder  
 Born today, you are not always operating on the same wavelength as those around you, and as a result, you are likely to be party to a great deal of conflict -- in both work and play -- as you follow your own instincts and satisfy your own desires without giving a thought to what others may want, need or appreciate. It is quite common for you to encounter serious threats to your well-being almost on a daily basis.

**WEDNESDAY, FEBRUARY 17**  
**AQUARIUS (Jan. 20-Feb. 18)** -- One trip may have to be canceled today while another is being planned. You're not going to know what's really possible for another few days.

**PISCES (Feb. 19-March 20)** -- It's a good day to revisit old and familiar issues whether or not they have been resolved. You may discover something left undone.

**ARIES (March 21-April 19)** -- Think not so much of financial gain today; focus on the emotional gains you will score by staying the course. Your dedication will say a lot!

**TAURUS (April 20-May 20)** -- Certain priorities may be challenged by someone who was, but no longer is, in charge. This is a sign of an important difference in leadership.

**GEMINI (May 21-June 20)** -- You know very well who has been making things difficult for you lately, and today is the day to call him or her to the table. Don't waffle!

**CANCER (June 21-July 22)** -- It's time for you to make very clear your expectations with regard to another's participation in your affairs. Is it a true partnership?

**LEO (July 23-Aug. 22)** -- What goes on just outside of your circle of influence may bother you more today than it has in the past. It may be time to change your focus.

**VIRGO (Aug. 23-Sept. 22)** -- Pay attention to what another does behind your back today. He or she is pursuing goals in a way that throws a wrench into the works.

**LIBRA (Sept. 23-Oct. 22)** -- You're nowhere so comfortable as at home right now -- and today you'll want to spend more time under your own roof. You are justified!

**SCORPIO (Oct. 23-Nov. 21)** -- Someone you know has left a mess, and it's up to you to clean it up. This is not acceptable, but now is not the time to make an issue of it.

**SAGITTARIUS (Nov. 22-Dec. 21)** -- Your reaction to another's exercise of free speech may take you by surprise today. Is your thinking more in line than you supposed?

**CAPRICORN (Dec. 22-Jan. 19)** -- You'll be weighing all manner of expectations today, and you can surely come up with a better-than-usual explanation for your actions.
