HOROSCOPES by Stella Wilder

THURSDAY, FEBRUARY 18, 2021
YOUR BIRTHDAY by Stella Wilder
 Born today, you are one of those quite rare and oft admired individuals who is able, again and again, to evaporate boundaries and travel freely among all types of individuals in order to feel fully alive and "human." You have a keen and active sense of humor, and this lies at the core of your ability to communicate effectively with all manner of people, from the staunchest allies to the most vocal and dangerous critics.
 FRIDAY, FEBRUARY 19
PISCES (Feb. 19-March 20) -- A surprise encounter has you considering a major change to your internal operations. You progress quickly through trial and error.
ARIES (March 21-April 19) -- You'll be addressing more than the usual issues today, whether or not you like it. Others look to you to resolve a stubborn domestic issue.
TAURUS (April 20-May 20) -- You'll be in a better position by day's end to make a certain request, but you must be patient and avoid jumping the gun in any way.
GEMINI (May 21-June 20) -- That which is not entirely enjoyable leads to something that is completely so -- but the journey from here to there is longer than you thought.
CANCER (June 21-July 22) -- Not everyone shares your views on a certain key issue, and this may result in a conflict that sets you back a bit. You have much to say.
LEO (July 23-Aug. 22) -- You may attract more criticism than praise today -- but this should in no way keep you from progressing along your current path. You're used to it!
VIRGO (Aug. 23-Sept. 22) -- Someone comes to you with a request that you simply cannot fulfill -- but it gives you one or two new ideas that are worth exploring further.
LIBRA (Sept. 23-Oct. 22) -- You're still waiting for things to shift in your favor, but in the meantime, you must address a problem that your own ingenuity has caused.
SCORPIO (Oct. 23-Nov. 21) -- No one is likely to doubt your sincerity today, but some may question your motives as you dabble in a situation that is relatively new to you.
SAGITTARIUS (Nov. 22-Dec. 21) -- A minor misunderstanding must not be allowed to develop into something that takes longer than a single day to resolve.
CAPRICORN (Dec. 22-Jan. 19) -- You'll stumble upon a new opportunity today -- but are you willing to make the changes that it will require? Ask the right questions.
AQUARIUS (Jan. 20-Feb. 18) -- You discover today that what you have in common with someone is far more useful to you than you had supposed. Make contact today.
