YOUR BIRTHDAY by Stella Wilder

Born today, you are likely to find yourself at loggerheads with the powers that be again and again throughout your very busy and active lifetime -- but this is only because you feel very strongly about certain things in life, and you will not be swayed against what comes naturally to you by anyone who wields merely titular control over you. In other words, you want to be your own boss -- and so you will be, more often than not!

MONDAY, FEBRUARY 22

PISCES (Feb. 19-March 20) -- A financial surprise may have you scrambling to make the best use of available funds today. When in doubt, follow in another's footsteps.

ARIES (March 21-April 19) -- You may find that someone is more prepared than you are to face what is coming your way. Instead of giving up, offer to join forces.

TAURUS (April 20-May 20) -- A minor

YOUR BIRTHDAY by Stella Wilder

Born today, you are known for your strength, both the physical kind and the emotional/psychological kind -- and the combination of this inner and outer fortitude is likely to give you a distinct advantage over others in many of the situations life unfolds for you -- be they opportunities or challenges. You tend to be somewhat reserved, choosing not to display your emotions to others -- except, of course, a select few whom you invite into your most inner circle.

TUESDAY, FEBRUARY 23

PISCES (Feb. 19-March 20) -- That which may seem obvious to you is in no way obvious to those on the other side of the issue you're espousing. Get in touch!

ARIES (March 21-April 19) -- You mustn't let things go too far today even as you encourage those around you to take action in support of a central issue. Balance is key.

mix-up has you wondering what may happen next -- but you also realize that nothing need derail you at this time. Have some fun.

GEMINI (May 21-June 20) -- The simplest instructions yield the greatest rewards today, so be sure to put things in a way that others can easily understand them.

CANCER (June 21-July 22) -- You may be knocked off balance today by someone who doesn't realize how he or she is breaking the rules -- but this shouldn't last long.

LEO (July 23-Aug. 22) -- You're in the mood for something special today -- and you may have it if you're willing to spend a little more than you are used to.

VIRGO (Aug. 23-Sept. 22) -- The situation you find yourself in today may be the result of a practical joke gone wrong. This is something you do not want to repeat!

LIBRA (Sept. 23-Oct. 22) -- You may be backed into a corner by someone who is not likely to take "no" for an answer. Quick think-

ing on your part saves the day.

SCORPIO (Oct. 23-Nov. 21) -- Something you thought was well on the way to completion hasn't even started yet -- and this realization will require you to rethink plans.

SAGITTARIUS (Nov. 22-Dec. 21) -- Stick to what you know today in order to make a fine showing in a situation that otherwise won't allow you to demonstrate your true skills.

CAPRICORN (Dec. 22-Jan. 19) -- A rather convoluted message comes your way today. You make sense of it just in time to use the information it contains to your advantage.

AQUARIUS (Jan. 20-Feb. 18) -- There are always going to be those who say "no" when "yes" is the only clear answer, so you needn't give them the time of day. Carry on.

once you're in the middle of something new, the pace is likely to quicken.

SCORPIO (Oct. 23-Nov. 21) -- Beware of those who would pursue their own agendas without any consideration for those around them. You may have to lay down the law.

SAGITTARIUS (Nov. 22-Dec. 21) -- You may realize that the position you are currently in gives you some authority -- but you must be sure to wield it with great care.

CAPRICORN (Dec. 22-Jan. 19) -- You'll want to answer questions in just the right order today -- which means that you must also ask certain questions without delay.

AQUARIUS (Jan. 20-Feb. 18) -- You may be put on the spot at some point today, but no one is likely to demand of you anything that you cannot deliver. Be ready.
