YOUR BIRTHDAY by Stella Wilder

Born today, you are mild-mannered, easy-going, socially adept and willing to let bygones be bygones -- most of the time! When you are not, you can be cold, calculating, judgmental, quick-tempered and at times cruel -- even to your friends. It may take you an entire lifetime to learn to navigate and control these two opposing sides to your personality.

THURSDAY, FEBRUARY 25
PISCES (Feb. 19-March 20) -- You receive information today that is meant only for you. What you do with it may determine the course of things for many consecutive days.

ARIES (March 21-April 19) -- You're eager to find a way out of a difficult situation today, but first you're going to have to prove that you've learned your lesson.

TAURUS (April 20-May 20) -- Signs that you are ready for the next step are all around you, but you may be the only one who doesn't see them. Open your eyes today!

GEMINI (May 21-June 20) -- It's only a matter of time before you are caught up in something that is more than you can handle -- unless you break a certain habit today.

CANCER (June 21-July 22) -- You've given yourself more room to maneuver, and still you're not doing what you need to in order to succeed. Something still holds you back.

LEO (July 23-Aug. 22) -- You can show others what it means to commit to a certain course of action. Today all eyes are on you as you do what only you know how to do.

VIRGO (Aug. 23-Sept. 22) -- You aren't likely to be showered with praise today, no matter how good a job you do -- but that's no reason to stop doing it. Keep it up!

LIBRA (Sept. 23-Oct. 22) -- You're able to find inspiration in the simplest of truths, and they translate into lessons you will hold dear for quite some time.

SCORPIO (Oct. 23-Nov. 21) -- The day begins on a note of high expectation, and it's up to you to ensure that expectation is met in a manner befitting the circumstances.

SAGITTARIUS (Nov. 22-Dec. 21) -- What goes on around you today mustn't hold you back, but rather, it should propel you forward. You know what courage really means!

CAPRICORN (Dec. 22-Jan. 19) -- Your assessment of someone's actions may be applicable to your own today -- and it will be important to know where you went wrong.

AQUARIUS (Jan. 20-Feb. 18) -- You'll see things in your mind's eye the way they ought to be, not necessarily as they are. This can inspire you and others to great deeds.
