HOROSCOPES by Stella Wilder

FRIDAY, MARCH 5, 2021

YOUR BIRTHDAY by Stella Wilder
Born today, you are one of those rare and oft admired individuals capable of handling the most, the biggest, the loudest, the worst and the best of what life has to offer, and you're not about to back down in the face of a challenge or threat of any kind. Though most people know this about you and understand you to be highly capable and even one to go to in times of trouble, you surprise many because you are, most days, a quiet and unassuming person and you go about your business without really attracting much attention at all.
SATURDAY, MARCH 6
PISCES (Feb. 19-March 20) -- You're likely to face a certain inevitability today that changes the way you see many other things too. A relationship comes into question.
ARIES (March 21-April 19) -- You can help ease tensions today by simply being civil when encountering those who have made you feel vulnerable of late.

TAURUS (April 20-May 20) -- You can prove to someone close to you that you are precisely who you say you are -- and that he or she has no reason to doubt you.
GEMINI (May 21-June 20) -- One or two of the biggest issues you face will come to the fore today and require you to make a decision that shapes many days to come.
CANCER (June 21-July 22) -- You can douse a fire just in time today -- and improve your chances of prevailing when someone tries to limit your potential in some unusual way.
LEO (July 23-Aug. 22) -- Mysteries abound today, but you're not all that interested, are you? What you want to do is answer one or two very basic, routine questions.
VIRGO (Aug. 23-Sept. 22) -- You can avoid almost all selfish activity today -- but during evening hours you're likely to have a very good reason to be self-concerned.
LIBRA (Sept. 23-Oct. 22) -- You're eager to avoid anything that smacks of "nostalgia" today -- but, in fact, a look back at a certain past episode will be good for you.

SCORPIO (Oct. 23-Nov. 21) -- You likely made a mistake that many noticed -- but it should be easy to unmake it, and you can count on one or two friends to get things started.
SAGITTARIUS (Nov. 22-Dec. 21) -- You're ready to do something today that not many others would be daring enough even to try. You'll step quickly out of your comfort zone.
CAPRICORN (Dec. 22-Jan. 19) -- Once you begin thinking through a rather stubborn problem, you'll watch it unfold before you in a way that ensures rapid, lasting progress.
AQUARIUS (Jan. 20-Feb. 18) -- You may find yourself in just the situation you've been trying to avoid -- but the reason will be made clear and your fears will be eased.
