HOROSCOPES by Stella Wilder

WEDNESDAY, MARCH 10, 2021
YOUR BIRTHDAY by Stella Wilder

Born today, you were not made for routine affairs, nor are you ever happy when you are "trapped" within a daily framework that requires you to rise at a certain hour, retire at a certain hour and do with your day certain things that have been spelled out for you. You want always to maintain a certain level of autonomy; you want to make your own decisions and call your own shots -- even when it comes to the most routine of affairs.

THURSDAY, MARCH 11
PISCES (Feb. 19-March 20) -- You may want to reveal a few secrets about the work you've been doing, if only to get the curious off your back -- but you needn't tell all!

ARIES (March 21-April 19) -- The relief you feel when the final piece of a puzzle falls into place will make up for the trouble you've experienced getting this far.

TAURUS (April 20-May 20) -- You know full well that to do what you really want to do is unwise in the extreme -- but at least it has you thinking in a new way, perhaps.

GEMINI (May 21-June 20) -- You may be faced with an impossibility before the day is out -- and if it happens, you must acknowledge it. Don't keep such things under wraps.

CANCER (June 21-July 22) -- You may have to field questions that you are not altogether ready to answer today. How you reply sets the tone for the next few days.

LEO (July 23-Aug. 22) -- You may not expect things to unfold in a way that favors your current position -- but you're likely to be surprised! You can pick up the pace.

VIRGO (Aug. 23-Sept. 22) -- You learn a thing or two today about something you thought you knew all about -- but now, at long last, you can claim that you're an expert!

LIBRA (Sept. 23-Oct. 22) -- You realize today that things that have been revealed to you are not exactly what they appear to be.

You'll want to investigate, certainly. SCORPIO (Oct. 23-Nov. 21) -- Someone close to you recognizes that your activities today are merely a repeat of something you did only a short while ago. Is this wise?

SAGITTARIUS (Nov. 22-Dec. 21) -- Someone's behavior makes you uncomfortable for a time today -- until you realize that your involvement is only peripheral.

CAPRICORN (Dec. 22-Jan. 19) -- You may not be able to afford something you feel you need -- but are you willing to ask for financial assistance? That may be the only way.

AQUARIUS (Jan. 20-Feb. 18) -- This is a good day to hide yourself away and avoid all the hustle and bustle that can so quickly put you in a sour mood. Invite a friend to do something.

HOROSCOPES by Stella Wilder

TUESDAY, MARCH 9, 2021
YOUR BIRTHDAY by Stella Wilder

Born today, you are not a reckless or careless type, and yet you're likely to be at the center of things again and again when those things go wrong -- but it is important to stress that they don't usually go wrong because of you. Indeed, it is often the case that a negative can quickly be transformed into a positive because you are there giving it careful thought and consideration; you're able again and again to make things right that started out wrong in some way.

WEDNESDAY, MARCH 10
PISCES (Feb. 19-March 20) -- It will be important for you to send the right signals to the right people today -- and you mustn't miss out on the chance to speed things up.

ARIES (March 21-April 19) -- Something you do today is likely to have shock value, though you may not have anticipated the kind of reaction you receive. Be ready.

TAURUS (April 20-May 20) -- You must be ready for something extraordinary to happen today -- either to you or to someone close to you. Changes will be made as a result.

GEMINI (May 21-June 20) -- Now is the time for you to redouble your efforts where money is concerned. You're at a crossroads; a decision made today will be significant.

CANCER (June 21-July 22) -- You may sense the onset of something you could well do without -- but you aren't likely to avoid it, so you must prepare yourself inside and out.

LEO (July 23-Aug. 22) -- You may anticipate having trouble scheduling extracurricular activities today -- but a friend comes to you with an idea that solves the problem.

VIRGO (Aug. 23-Sept. 22) -- You are in a good position to see things coming at you from all sides right now -- and that will help you finalize one or two important plans.

LIBRA (Sept. 23-Oct. 22) -- You should be able to maneuver out of a tricky situation with little trouble today -- provided you are fully aware of what's around you!

SCORPIO (Oct. 23-Nov. 21) -- Your desires are at odds with those of a friend or loved one, but you're not quite ready to compromise just yet. Negotiations may be tricky.

SAGITTARIUS (Nov. 22-Dec. 21) -- You may prove the only source of accurate information for those who are eager to do what you've been doing. Be generous with your time.

CAPRICORN (Dec. 22-Jan. 19) -- You're ready to do what you must today, but you have to wait until just the right time lest your efforts have less than the desired effect.

AQUARIUS (Jan. 20-Feb. 18) -- You may find yourself working both ends against the middle today in order to keep your enemies at bay. You can't keep this up for long.
