HOROSCOPES by Stella Wilder

TUESDAY, MARCH 16, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are perhaps one of the most thoughtful individuals born under your sign -- but that doesn't mean you cannot embrace bold action as well! Indeed, you are both a thinker and a doer, and your doings are so often right on the money because you have thought about them clearly, in great detail, to work out precisely how and when you are best to do this, that or the other thing.

WEDNESDAY, MARCH 17
PISCES (Feb. 19-March 20) -- A casual gathering may suddenly become much more important to you and all attending when an unexpected piece of news comes your way.
ARIES (March 21-April 19) -- You may have to interrupt your own work today to address a situation that you neglected to attend to yesterday. It's not too late.
TAURUS (April 20-May 20) -- You may approach a certain situation in a rather reluctant manner today because of what you were told by someone else. This is unnecessary!

GEMINI (May 21-June 20) -- You can expect to be interrupted today by someone who may not understand the gravity of the situation you're trying to manage.
CANCER (June 21-July 22) -- You may find yourself going head-to-head today against someone who challenges you on almost every level. You must keep your wits about you!
LEO (July 23-Aug. 22) -- You're working at a pace that is comfortable for you, but you may have to accelerate some today, even though you'll experience some added stress.
VIRGO (Aug. 23-Sept. 22) -- It's time for you to make amends with someone with whom you've been on the outs. You know why that happened, and you know how trivial it was!
LIBRA (Sept. 23-Oct. 22) -- You must plan the first stages of a new endeavor, surely, but you must also leave yourself room later on to improvise. Others are watching.

SCORPIO (Oct. 23-Nov. 21) -- A case you've studied for quite some time suddenly reveals itself anew -- and you'll feel the thrill you felt when you first looked at it.
SAGITTARIUS (Nov. 22-Dec. 21) -- You may not understand exactly how your affairs and the affairs of another are linked, but you must behave as though they are -- for now.
CAPRICORN (Dec. 22-Jan. 19) -- Take care not to jump to any conclusions today. Examine the evidence before you, and know that the simplest solution may be the right one.
AQUARIUS (Jan. 20-Feb. 18) -- You'll have the chance today to put an end to a conflict that has been simmering silently for too long. The past is the past -- period.

HOROSCOPES by Stella Wilder

WEDNESDAY, MARCH 17, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are a strong, strong-willed, stylish and often outspoken individual who, at times, can be rather difficult to argue with because you are able to come at a problem from almost any vantage point, and you understand almost all sides of an issue. This doesn't mean, of course, that you embrace all sides. Hardly! You know what you stand for, and you make no apologies for your beliefs -- even when you are arguing the opposite point of view.

THURSDAY, MARCH 18
PISCES (Feb. 19-March 20) -- What role will you be playing today? Take a look at what is going on around you, and pick one that fits in. You don't want to make waves.
ARIES (March 21-April 19) -- You don't want what you cannot have -- and that's convenient, to be sure. Unfortunately, something you want is also out of reach.
TAURUS (April 20-May 20) -- Weighing your needs against another's is not a good way to determine who should do what -- or why. If you're in it together, forge ahead together.

GEMINI (May 21-June 20) -- You may stumble upon an opportunity for which you are almost ready -- and by day's end, you certainly will be if you get busy right away.
CANCER (June 21-July 22) -- Practicalities take up much of your time today as you try to fit your own desires into a framework that others can understand and embrace.
LEO (July 23-Aug. 22) -- You don't really want to follow any established formula today as you begin working toward a new goal -- but can you really afford to improvise?
VIRGO (Aug. 23-Sept. 22) -- Watching the clock will not help you go faster today -- and, in fact, it may do just the opposite. You'll know when you're ready to cross the finish line.
LIBRA (Sept. 23-Oct. 22) -- You may be trying just a bit too hard to satisfy someone's expectations at this time. Look within instead: What is it that you most want?

SCORPIO (Oct. 23-Nov. 21) -- You may have to deal with someone who can be rather "shifty" today -- but you'll surely have the advantage because you know all the angles.
SAGITTARIUS (Nov. 22-Dec. 21) -- You don't have to stay at your desk today and work continuously on one project. Take time, at regular intervals, to step away and refresh.
CAPRICORN (Dec. 22-Jan. 19) -- You receive good news today, which keeps you moving toward your desired destination. Someone will have to take another route.
AQUARIUS (Jan. 20-Feb. 18) -- You can demonstrate your native creativity today in an unusual way -- and in an unusual setting. Not everyone will know what you're up to.
