HOROSCOPES by Stella Wilder

SUNDAY, MARCH 21, 2021 YOUR BIRTHDAY by Stella Wilder Born today, you have been endowed with tremendous insights into the ways of the world -- and the ways of your fellow human beings.

but your interpretation of that truth may differ from that supported by others. CANCER (June 21-July 22) -- Can you believe what you are told by someone who isn't a firsthand observer? It all depends on the original source; you must uncover it.

SAGITTARIUS (Nov. 22-Dec. 21) -- You've been looking, to no avail, for the easy way out of a sticky situation. Waste your time no more; do what you must the hard way! CAPRICORN (Dec. 22-Jan. 19) -- You're eager for one phase to end and another to begin today, but progress is rarely as clean as that.

MONDAY, MARCH 22, 2021 YOUR BIRTHDAY by Stella Wilder Born today, you are a sociable and most often compatible individual -- but what does that mean exactly? It means that in most situations you will be the one to make yourself comfortable, to fit in and to find a way to use your natural flexibility to bend just enough to allow yourself to be positive and productive -- even in situations that prevent most other people from being so.

the way today, but you'll want to keep moving forward even before it arrives. You cannot afford to lose any ground right now. CANCER (June 21-July 22) -- You've been asked to do something for which you are not yet prepared -- but there's no time limit, so you can work to gain needed proficiency.

and try something new, external influences may not favor any such attempt today. SAGITTARIUS (Nov. 22-Dec. 21) -- You are aware of something "on the move" just outside of your own personal bubble, and it's far more interesting than any job. CAPRICORN (Dec. 22-Jan. 19) -- You may have to give someone the shock treatment today in order to ensure he or she is on the same page by day's end. Be direct!
