8 p.m. on LIFE Movie: V.C. Andrews' Pearl in the Mist

Based on the second book in the novelist's Landry Family series, this installment finds Ruby (Raechelle Banno) still grasping for happiness after living in her father's posh mansion for a year. She's looking forward to making a new start when she and her twin, Giselle (Karina Banno), are sent away to an elite boarding school, only to find herself once again shunned for her backwater upbringing. Meanwhile, Ruby's stepmother (Lauralee Bell) and cruel headmistress (Marilu Henner) continue to conspire against her.
