HOROSCOPES by Stella Wilder

THURSDAY, MARCH 25, 2021
YOUR BIRTHDAY by Stella Wilder
 Born today, you like being the one to make things happen, to effect positive change in the world around you, rock the boat when necessary, challenge authority, break the rules and champion others even as you enjoy remarkable success -- and it's all because you know yourself so well and are able to be yourself in a faithful, organic way, no matter what is going on around you.

FRIDAY, MARCH 26
ARIES (March 21-April 19) -- You may have to rearrange your schedule today in order to fit something in that you had not expected to have to do. This will be beneficial.

TAURUS (April 20-May 20) -- You don't always appreciate having to adjust in order to satisfy someone's needs, but today you will see the good it will do and oblige.

GEMINI (May 21-June 20) -- What begins as a twosome today is likely to become a threesome or even a foursome as others realize they're missing out. You can accommodate!

CANCER (June 21-July 22) -- You are eager to follow up on a suggestion made some time ago. What you do today will surely mean more to a close friend than you might think.

LEO (July 23-Aug. 22) -- Why wait to honor a special request made of you today? Get it done right now -- and you know how to do just that with tremendous grace and style.

VIRGO (Aug. 23-Sept. 22) -- Your smile is infectious today, and your laughter even more so -- and you'll have good reason to spread them around at work quite liberally.

LIBRA (Sept. 23-Oct. 22) -- An issue that you've been trying to avoid comes to a head today, and you must deal with it -- or be put in your place by someone who does.

SCORPIO (Oct. 23-Nov. 21) -- There's a right way and a wrong way to say what has to be said today, and you must determine which is which before engaging with anyone.

SAGITTARIUS (Nov. 22-Dec. 21) -- You've been putting off what has to be done long enough. Today's the day, and you know just how and when to take the first few steps.

CAPRICORN (Dec. 22-Jan. 19) -- You have a great deal of information at your fingertips today, but take care you don't rely solely upon technology -- as it may fail you!

AQUARIUS (Jan. 20-Feb. 18) -- Your attitude counts for much today, and you must do all you can to settle yourself before heading into a potentially volatile situation.

PISCES (Feb. 19-March 20) -- You and a partner are not really cooperating as well as you might at this time; examine the cause, and adjust your behavior accordingly.
