**HOROSCOPES** by Stella Wilder

FRIDAY, MARCH 26, 2021  
YOUR BIRTHDAY by Stella Wilder  
Born today, you are a natural-born deal-maker, and you're likely to get your way by the end of most negotiations -- but you also know how to grant others at least some of what they want as well. Yes, this involves compromise, and you're quite good at it -- but you use it sparingly, when you must, to ensure that you ultimately get as much of what you want as possible. There are those who would argue that you are only in it for yourself -- whatever "it" may be -- and they would be correct to a certain degree.  
SATURDAY, MARCH 27  
ARIES (March 21-April 19) -- You can put an issue to bed today without causing so much as a wrinkle in the fabric of what you're doing. Good work!  
TAURUS (April 20-May 20) -- Take care that you aren't distracted today by someone who could possibly pull you too far away from your own agenda. Maintain your focus.

GEMINI (May 21-June 20) -- The right words spoken at the right time can surely pave the way for some important interaction in the future and win you some rewards today.  
CANCER (June 21-July 22) -- You may not be able to follow certain instructions to the letter today, so you'll have to make adjustments that work for you now and later.  
LEO (July 23-Aug. 22) -- There are those who simply cannot jump on the bandwagon at this time, but you'll surely attract enough support to do what you had planned.  
VIRGO (Aug. 23-Sept. 22) -- That which you set aside today may be inaccessible to you tomorrow, so be prepared for some basic changes in the way you do certain things.  
LIBRA (Sept. 23-Oct. 22) -- The truth will come out -- so why try to hide it in the first place? The wiser choice is to be the first one to reveal what will soon be widely known.  
SCORPIO (Oct. 23-Nov. 21) -- Any attempt to keep someone from "spying" on you will simply backfire, so you might as well be open about your intentions today!

SAGITTARIUS (Nov. 22-Dec. 21) -- Minor corrections will surely be allowed today, but overall, your work must be ready to present to one who will be the final judge.  
CAPRICORN (Dec. 22-Jan. 19) -- You've been reluctant to talk about yourself and your affairs lately, and with good reason -- but today is a good day to let others in.  
AQUARIUS (Jan. 20-Feb. 18) -- Your perspective is evolving at this time, and today you'll benefit from a subtle shift that allows you to see more than usual.  
PISCES (Feb. 19-March 20) -- You must be prepared for someone to ask for more than you are ready to give today. If you say "no," try to do so in a supportive manner.
