Becky Mancino Litke leads this class on Wednesdays. There are two sessions: 3-5 p.m. and 5-7 p.m. Students can attend one or both — each session is considered a separate class.

Litke will discuss elements to include in a painting, which to leave out, how to use photos as reference, how to position subjects on paper for visual impact, and proper size paper for subject matter depicted.

Cost is \$16 per session for members, or \$24 for nonmembers.

## YOUNG ARTISTS STUDIO

Paul Hoelscher offers this class on Fridays from 1:45-3:45 p.m. for ages 10 and older.

Media include acrylic, oil, and watercolor paint; soft and oil pastels; charcoal, graphite, conte, colored pencil; and clay sculpture.

The idea behind this ongoing class is to help young people make art the way that most interests them, with an artist who believes that everyone is artistic and who
