**HOROSCOPES** by Stella Wilder

SATURDAY, MARCH 27, 2021  
**YOUR BIRTHDAY** by Stella Wilder  
Born today, you are a versatile, flexible, highly adaptable individual for whom no situation is too hard, too challenging, or too unusual. You know how to approach things in a positive manner, self-possessed and confident, and you know how to build momentum and maintain it even when the going gets tough. You never think twice about where you are going -- or how you are getting there -- as long as you are making forward progress. You shrug at obstacles, winding roads and rough seas, and you know how best to arm yourself against the winds and rains that life will inevitably pelt you with upon occasion.

SUNDAY, MARCH 28  
**ARIES** (March 21-April 19) -- You may be joining something important right at the tail end, but that won't stop you. You can still make a big impact today.  
**TAURUS** (April 20-May 20) -- Now is not the time to quibble over stylistic differences!

You and a partner have work to do, and you must collaborate effectively today.  
**GEMINI** (May 21-June 20) -- You're eager to experience something the way someone else does -- but is that wise or even possible? Focus on your own unique reactions.  
**CANCER** (June 21-July 22) -- Those who do not follow the rules today aren't likely to remain on your team for very long, as you have adopted, rightly, strict expectations.  
**LEO** (July 23-Aug. 22) -- Sharing is easier than you may think -- especially today, when your own mindset matches those around you more closely than usual. Be generous!  
**VIRGO** (Aug. 23-Sept. 22) -- You may be called upon to share your reasons for doing this, that or the other thing -- but really you're being put to the test. You can pass!  
**LIBRA** (Sept. 23-Oct. 22) -- Don't let someone's behavior affect you today; you must be able to carry on with your business as if you are wearing blinders.  
**SCORPIO** (Oct. 23-Nov. 21) -- The path you are on will surely lead you to your destination -- but along the way, beginning today, some surprises are likely to surface.

**SAGITTARIUS** (Nov. 22-Dec. 21) -- Nobody is interested in your excuses -- not today, nor in the future. You must be willing and ready to accept responsibility once again.  
**CAPRICORN** (Dec. 22-Jan. 19) -- Assumptions get you nowhere today, so you must deal only in what you know to be factual. It may take you some time to dig up the truth.  
**AQUARIUS** (Jan. 20-Feb. 18) -- You can take the time today to be far more precise than you have been in recent days, especially when it comes to solving certain problems.  
**PISCES** (Feb. 19-March 20) -- You are considering making a move that those closest to you are fearful of -- but you can put their minds at ease by clarifying certain facts.
