HOROSCOPES by Stella Wilder

THURSDAY, APRIL 1, 2021
YOUR BIRTHDAY by Stella Wilder
 Born today, you are certainly someone special, and everyone who encounters you will be struck with the notion that you are someone who is certainly going places -- though exactly where, when and how may not always be clear. You have been endowed with a great many talents, and yet your interests do not always match your abilities. You must, at some point, choose whether to do what comes naturally and be moderately content, or follow what fascinates you and be blissfully happy.
FRIDAY, APRIL 2
ARIES (March 21-April 19) -- An old friend reaches out and expresses some concern -- and you must be sure that you're available when it's time for some honest talk.
TAURUS (April 20-May 20) -- A new direction is opened to you today, but you may be doubtful about heading that way just yet. You have too much right now as it is!

GEMINI (May 21-June 20) -- You're eager to have someone step in and relieve you today -- even if only for a few moments. That isn't likely to happen; pace yourself!
CANCER (June 21-July 22) -- You'll recognize in someone something about yourself that you are eager to change. Don't take it out on him or her -- focus on yourself!
LEO (July 23-Aug. 22) -- Your behavior may attract attention today, but that's something you can handle -- unless it becomes so critical that it's actually unfair.
VIRGO (Aug. 23-Sept. 22) -- You're always willing to listen to reason -- but today you may encounter a volatile situation in which no one will be able to talk you down.
LIBRA (Sept. 23-Oct. 22) -- You'll be able to accomplish a great deal today -- especially if you maintain contact with a trusted partner, even from a distance.
SCORPIO (Oct. 23-Nov. 21) -- You may have much more to do today than you had anticipated, no doubt because someone hasn't

been pulling his or her weight. It's up to you!
SAGITTARIUS (Nov. 22-Dec. 21) -- You're eager to find a way around a certain formidable obstacle today, but the fact is that you will benefit most by tackling it head-on.
CAPRICORN (Dec. 22-Jan. 19) -- It's time to share more than routine information with someone who has been playing a role in your affairs for quite some time already.
AQUARIUS (Jan. 20-Feb. 18) -- You're ready to renew your commitment to someone from whom you've been distant for a while. Some important things are on their way today.
PISCES (Feb. 19-March 20) -- You're after something that you very much need, but you're still thinking about it in the wrong way. Soon you'll know what's really going on.
