HOROSCOPES by Stella Wilder

SATURDAY, APRIL 3, 2021
 YOUR BIRTHDAY by Stella Wilder
 Born today, you are a dedicated, hardworking and highly skilled individual with the ability to do all that you envision without stepping too far out of your comfort zone at any time. That doesn't really thrill you, however, and like any red-blooded Aries native, you want to be walking on a high, narrow ledge in order to feel truly "alive."
ARIES (March 21-April 19) -- Much time is likely to be consumed by routine affairs today, but one thing stands out as an unlikely part of your day. See where this leads!
TAURUS (April 20-May 20) -- You're eager for a certain development to make itself known today, but you mustn't force the issue. You'll have to take a patient stance.
GEMINI (May 21-June 20) -- How you came to be where you are may be something of a mystery to you, but it won't have to be a mystery for long if you ask the right questions.
CANCER (June 21-July 22) -- Your doubts about a plan proposed by someone you trust needn't shake you very deeply; this is all a part of your evolution.
LEO (July 23-Aug. 22) -- You cannot second-guess someone's intentions today; you'll have to wait until you see clear evidence before passing any judgment.
VIRGO (Aug. 23-Sept. 22) -- You are willing to go along with what others have planned today, but you'd like to see one small change implemented. Have you talked about it?
LIBRA (Sept. 23-Oct. 22) -- Someone is likely to pull you into his or her orbit today. Whether or not you like it at the time, you'll surely like it later on!
SCORPIO (Oct. 23-Nov. 21) -- The domestic front is what gives you confidence and strength today, and you won't want to stray far from home as a result. A sign points inward.
SAGITTARIUS (Nov. 22-Dec. 21) -- Someone who crosses your threshold today in a business capacity is likely to cross it again as something quite different. Are you ready?
CAPRICORN (Dec. 22-Jan. 19) -- You cannot be around noise and other distractions today without risking much that you've been working on. Find a nice, quiet spot!
AQUARIUS (Jan. 20-Feb. 18) -- Only you can fully appreciate what comes your way today, and any efforts to share your excitement are likely to fall flat. This is all yours.
PISCES (Feb. 19-March 20) -- You may not feel inspired today, but that's no reason for turning in work that is subpar. You must fulfill another's expectations.
