**HOROSCOPES** by Stella Wilder

SATURDAY, APRIL 10, 2021  
**YOUR BIRTHDAY** by Stella Wilder  
Born today, you are one of the most well-rounded, intelligent and fair-minded individuals born under your sign, and you seem compelled to excel at anything and everything you do. You are not competitive with others necessarily, but with yourself. Whatever you did last, you want now to do something bigger, better and more important. You are sure to score a great many "firsts" in your lifetime.  
**SUNDAY, APRIL 11**  
**ARIES (March 21-April 19)** -- You should be able to discern far more than usual today in a situation that one might assume would be routine. Nothing is routine today!  
**TAURUS (April 20-May 20)** -- Any traveling you do today must be done with care; you don't want to put yourself at risk before you get where you are going. An alarm sounds.  
**GEMINI (May 21-June 20)** -- The risks you incur today all make sense to you, though someone close to you may tell you that you are taking on too much right now.  
**CANCER (June 21-July 22)** -- Hard work yields desirable results today -- but there is a danger of you doing too much to force things into place. This is not wise in the least!  
**LEO (July 23-Aug. 22)** -- Despite the fact that others may accuse you of being too self-absorbed at this time, you are in fact paying much attention
