## HOROSCOPES by Stella Wilder

THURSDAY, APRIL 22, 2021  
**YOUR BIRTHDAY** by Stella Wilder  
 Born today, you are something of a mystery to others, for you never come across the same way twice -- and the question even your closest friends may have is simple: Is this by design, or something that happens naturally that lies outside your control? The answer, of course, is both: You are who you are, and there is no changing that, but you can surely learn to work with what you've been given in order to accentuate this, minimize or disguise that, and then turn right around and do the opposite.

**FRIDAY, APRIL 23**  
**TAURUS (April 20-May 20)** -- What you're looking for isn't really hidden from view, just disguised a bit -- but it's enough to demand from you more time in the search.

**GEMINI (May 21-June 20)** -- Now is the time to go butting into someone's business -- even though you are confident your

involvement would help considerably.

**CANCER (June 21-July 22)** -- You're on the trail of something that can really spice up your life -- but you must be sure that's what you want! Continue at your own risk.

**LEO (July 23-Aug. 22)** -- You're not about to make sense of something to others that simply makes no sense at all -- but that's part of the fun, isn't it? Dangers are few.

**VIRGO (Aug. 23-Sept. 22)** -- You'll get the chance to explain yourself today, and you must do so in the most direct manner possible. This opportunity expires soon!

**LIBRA (Sept. 23-Oct. 22)** -- Any sort of vacillation today can throw a wrench into the works of something you've been working on for quite some time. You must be certain!

**SCORPIO (Oct. 23-Nov. 21)** -- The more flair you put into your opening gambit, the better, for that kind of thing is sure to be rewarded -- especially coming from you.

**SAGITTARIUS (Nov. 22-Dec. 21)** --

You'll receive no guarantees today, but that's no reason not to continue along your current course. You're learning a lot, surely!

**CAPRICORN (Dec. 22-Jan. 19)** -- You'll be in a position to offer someone something that will be long remembered -- but is that what you want? Your satisfaction counts, too.

**AQUARIUS (Jan. 20-Feb. 18)** -- You're collecting all manner of facts, but that may not be getting you anywhere closer to the truth -- and that's what you're really after.

**PISCES (Feb. 19-March 20)** -- You're sure to receive some positive reinforcement today, and this will encourage you to give your audience more of the same -- if you can.

**ARIES (March 21-April 19)** -- You may be reluctant to tell someone the truth today, even though he or she is clearly asking for it. What is it you hope to gain?
