HOROSCOPES by Stella Wilder

THURSDAY, APRIL 29, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are a born strategist, and whether it be art, business, warfare or relationships, you know how to think about things in such a way that you maximize the positive, minimize or even eliminate the negative, and so prevail in ways that no one, perhaps, ever has before. You believe wholeheartedly in both building a reputation and maintaining it -- and you know that the latter is more tricky than the former!
FRIDAY, APRIL 30
TAURUS (April 20-May 20) -- You may not have a horse in the race today, but you can surely provide guidance that will benefit all competitors. Your expertise says a lot.
GEMINI (May 21-June 20) -- Take care that you don't get caught in a situation that prevents you from following the path you've charted for yourself. Protect your freedom!
CANCER (June 21-July 22) -- You may have to come up with an alternative to your usual approach today as a situation develops that is unfamiliar to you in many ways.
LEO (July 23-Aug. 22) -- Focus on process today and you'll surely get the results you're after. By focusing solely on the results, you'll miss a few important steps.
VIRGO (Aug. 23-Sept. 22) -- You may not be recovering from a recent hardship as quickly as you would have liked, but others are there to back you up when you need help.
LIBRA (Sept. 23-Oct. 22) -- Now is no time to give away what could bring you a healthy sum of money. You may want to research all your options before starting something new.
SCORPIO (Oct. 23-Nov. 21) -- That strange feeling you cannot shake today is likely the result of an important interaction that you gave little thought to at the time.
SAGITTARIUS (Nov. 22-Dec. 21) -- You are more interested in the truth than the facts today -- and to be sure, they are not the same thing! It's time to dig!
CAPRICORN (Dec. 22-Jan. 19) -- You must conserve fuel in order to have enough left in the tank for an unexpected situation that demands full engagement late in the day.
AQUARIUS (Jan. 20-Feb. 18) -- You can ease tensions across the board today -- but take care you aren't just taking on the kind of stress that you surely don't need.
PISCES (Feb. 19-March 20) -- There's something going on out of range of your perception that you'll want to be a part of. Don't wait until the opportunity passes you by!
ARIES (March 21-April 19) -- Pay close attention to all that goes on around you today. Soon you'll understand what requires more of a commitment from you and what does not.
