HOROSCOPES by Stella Wilder

SUNDAY, MAY 2, 2021 YOUR BIRTHDAY by Stella Wilder Born today, you are one of the most energetic and forward-thinking individuals born under your sign, and you are all but guaranteed to enjoy a great deal of notoriety -- not after you are gone, but during your lifetime!

today has all the necessary information. There's no standing still today, surely. LEO (July 23-Aug. 22) -- You'll have to do a little digging today to come up with the one piece of information you need to settle an argument with a friend. Don't wait!

that someone has presented to you. CAPRICORN (Dec. 22-Jan. 19) -- You may have to wait longer than expected today for someone to step forward and commit to helping you in a potentially risky endeavor.

MONDAY, MAY 3, 2021 YOUR BIRTHDAY by Stella Wilder Born today, you can at times prove quite mysterious, even to those who know you best. You appear to be one thing at one time, under a given set of circumstances, and yet only moments later, prompted by the most subtle of shifts in the prevailing situation, you can be something else again quite different -- even to the point of turning on those you consider your dearest friends.

CANCER (June 21-July 22) -- Getting to the end of a long-term project is simply a matter of taking care of everything it entails one at a time, in the proper order. LEO (July 23-Aug. 22) -- You can prove yourself right today even though others are not having any of it. You needn't have another's support to be strong and confident.

CAPRICORN (Dec. 22-Jan. 19) -- This is a good day for experimenting with something new -- though you'll want to take all necessary precautions to avoid inherent dangers. AQUARIUS (Jan. 20-Feb. 18) -- You may be unusually affected by environmental influences today. If the weather is uncooperative, however, you can still move forward.
