HOROSCOPES by Stella Wilder

SATURDAY, MAY 8, 2021
 YOUR BIRTHDAY by Stella Wilder
 Born today, you are always willing to look at a given situation square in the face, to assess it honestly, to judge how it affects you in a realistic manner and to base your decisions on the way things are -- not the way you wish they could be. This ability to work within the realistic confines of daily life will surely give you the advantage in a number of key areas -- but certainly professionally, indeed.

SUNDAY, MAY 9
TAURUS (April 20-May 20) -- You'll have the opportunity to try something new for the first time, and you mustn't ever let any preconceived notions stand in your way!
GEMINI (May 21-June 20) -- The situation you find yourself in today will require a full commitment from you if you're going to avoid danger and impress your fans.

CANCER (June 21-July 22) -- You may have to hide your true desires from a friend or co-worker today simply to get through a routine series of tasks. Talk openly later.
LEO (July 23-Aug. 22) -- You likely feel that you're successfully concealing something from another, but that is hardly true. He or she knows more than you do, in fact.
VIRGO (Aug. 23-Sept. 22) -- A situation calls to you today that combines a social outlet with a professional opportunity. You don't want to say no to this, certainly.
LIBRA (Sept. 23-Oct. 22) -- You're likely to receive another offer from the same familiar source -- but today you will want to take it more seriously than you yet have.
SCORPIO (Oct. 23-Nov. 21) -- You don't have to deck out a new space to suit your personality and taste in order to get some good work done -- but it would be enjoyable!
SAGITTARIUS (Nov. 22-Dec. 21) -- Someone is waiting for you to pass judgment today on a recent endeavor, but you're not willing to say what has to be said -- just yet.
CAPRICORN (Dec. 22-Jan. 19) -- You're eager to enjoy yourself with one or two special friends, and you may -- once you get a certain job finished and records completed.
AQUARIUS (Jan. 20-Feb. 18) -- You can entertain others today even while getting a lot of work done. There's no current rule against combining business and pleasure.
PISCES (Feb. 19-March 20) -- You may feel as though someone is trying to sabotage your efforts, but the truth is that this is just part of a legitimate competition.
ARIES (March 21-April 19) -- Plant your feet, set your back and let fly! Today you have much to say and you must appear strong and virtually invincible as you say it.
