HOROSCOPES by Stella Wilder

WEDNESDAY, MAY 12, 2021

YOUR BIRTHDAY by Stella Wilder
Born today, you often have the good of others squarely in mind, even as you pursue your own goals. Indeed, the needs of those around you and the desires you aim to fulfill in your professional life are almost certain to intersect, and at that point, your life can be truly exciting -- and unique, too! You don't necessarily like to break the rules, but you do like to make new rules that others have not yet imagined.

THURSDAY, MAY 13

TAURUS (April 20-May 20) -- Agreement is not essential to progress today, though it can make things a little smoother as you navigate some difficult terrain, surely.

GEMINI (May 21-June 20) -- You may have to wait your turn today before you can really let things go, but you can use the time to your advantage. Collaborate with a friend.

CANCER (June 21-July 22) -- You're ready and eager to take on more responsibility perhaps, but right now it's best for you to prepare for a coming difficulty.

LEO (July 23-Aug. 22) -- You'll be surprised by what someone is able to do with seemingly no resources whatsoever. This changes your mind about the "possible."

VIRGO (Aug. 23-Sept. 22) -- It's not likely to be the easiest day on record, but you can minimize one particular difficulty by being honest and open with an old friend.

LIBRA (Sept. 23-Oct. 22) -- Don't wait until you are asked to give what little information you may have about an event that is the topic of a dispute. Your view is key!

SCORPIO (Oct. 23-Nov. 21) -- You can make the best of a difficult situation today -- and, as a result, you'll almost certainly be called upon by others to do it again soon.

SAGITTARIUS (Nov. 22-Dec. 21) -- Potential is quite high today, but things may not be organized enough to amount to much just yet. This is something you can fix.

CAPRICORN (Dec. 22-Jan. 19) -- You'll be surprised when a friend steps in and takes over from you without you having to ask. The timing and results are perfect!

AQUARIUS (Jan. 20-Feb. 18) -- You're eager to get started on something new, but things may not be ready for you just yet. Remain calm, and make use of the time!

PISCES (Feb. 19-March 20) -- You're going in the right direction, but sometimes it may feel as if everyone else is proving you wrong. Don't get caught up in such mind games!

ARIES (March 21-April 19) -- You mustn't make any decisions today if you are feeling out of sorts. Time is on your side right now; wait until you're feeling good.
