HOROSCOPES by Stella Wilder

SUNDAY, MAY 16, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you can be rather flamboyant, colorful and larger than life, and others are sure to recognize you for your ability to forget about what anyone may think as you step out, unrestricted by the expectations of others, peddling yourself as you are to the rest of the world. You cannot and will not be held in place by any rules that say you must do this or must not do that, and when you feel you are being oppressed in any way you will fight back to regain your autonomy.
MONDAY, MAY 17
TAURUS (April 20-May 20) -- A "big idea" doesn't lead where you thought it would go today. Still, you should be able to salvage a bit of it and make that pay off somewhat.
GEMINI (May 21-June 20) -- You don't have to be front and center today in order to get things done. Indeed, you may have more wiggle room if you work behind the scenes.

CANCER (June 21-July 22) -- You and a friend may find yourselves playing dueling critics as you take in something that doesn't satisfy you both equally.
LEO (July 23-Aug. 22) -- You can put the finishing touches on something that someone has brought this far -- but be careful not to take an undue amount of credit.
VIRGO (Aug. 23-Sept. 22) -- Someone is likely to get your attention today in the most unusual of ways. You may resist at first, but you'll be won over very quickly.
LIBRA (Sept. 23-Oct. 22) -- Others may be making something much more difficult than it needs to be, and today you may have to step in just to keep it simple.
SCORPIO (Oct. 23-Nov. 21) -- The fruits of your labors are likely to ripen at last -- but something else is likely to take up your time today, at least for a short while.
SAGITTARIUS (Nov. 22-Dec. 21) -- Today should pan out better than expected,

especially when it comes to negotiations with others. You can arrange a compromise.
CAPRICORN (Dec. 22-Jan. 19) -- You know that it's time to give yourself credit for a job well done, but first you must acknowledge that you have, indeed, done all you can.
AQUARIUS (Jan. 20-Feb. 18) -- Before the day is out, you'll come to understand something that was a complete mystery during morning hours. A friend supports you.
PISCES (Feb. 19-March 20) -- You don't want to find yourself behind the 8-ball today, so you must spend some time anticipating what others will do -- and when and how.
ARIES (March 21-April 19) -- You feel a strange sort of "pull" from someone who has gone unnoticed by you for quite a while. You'll want to figure out what's going on.

MONDAY, MAY 17, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are highly charismatic, but not always the most sociable of individuals, and this seeming dichotomy will influence all aspects of your life for years. You must learn to control the one and minimize the other if you're going to take full advantage of the opportunities presented to you during your lifetime. Charisma must be contained at times, and your resistance to social situations must be minimized if at all possible.
TUESDAY, MAY 18
TAURUS (April 20-May 20) -- You can take a certain risk today and come out unscathed -- but your overall success depends on your ability to address many issues at once.
GEMINI (May 21-June 20) -- You may become concerned about a situation developing between two friends. Do you know enough about it to step in and prevent a cri-

sis?
CANCER (June 21-July 22) -- You'll want to schedule your day very carefully -- unless, of course, you prefer things to come at you from all directions at once!
LEO (July 23-Aug. 22) -- A familiar situation becomes much more tense than usual today as you step out of your comfort zone for reasons that are not fully understood.
VIRGO (Aug. 23-Sept. 22) -- You may have more trouble than expected today correcting a simple error that was the result of a temporary oversight. Get an expert opinion.
LIBRA (Sept. 23-Oct. 22) -- You're ready to do more for another than has been asked of you, but take care that your efforts are not misinterpreted as crossing the line.
SCORPIO (Oct. 23-Nov. 21) -- You don't want to get into a shouting match with anyone today, so you must be sure to say only what you mean -- and do so in a rational manner!

SAGITTARIUS (Nov. 22-Dec. 21) -- If you're willing to go a little farther than usual, you can enjoy more of what you like today. A friend may wish to accompany you.
CAPRICORN (Dec. 22-Jan. 19) -- A collaborative effort isn't likely to pan out exactly as you had hoped -- but, in the end, you'll be able to derive some good from it, surely.
AQUARIUS (Jan. 20-Feb. 18) -- Your ability to see things from a variety of angles will serve you well today -- and keep you from making a mistake many others are making.
PISCES (Feb. 19-March 20) -- Someone you know well is going to want more from you today than you are able to give. You are willing, surely, but that's not enough.
ARIES (March 21-April 19) -- You have more work to do than usual today, but it's all of a type that you enjoy once you get started. Don't expect miracles, however.
