**HOROSCOPES** by Stella Wilder

WEDNESDAY, MAY 26, 2021  
**YOUR BIRTHDAY** by Stella Wilder  
Born today, you are a planner, and you are always thinking up some new way to do this, that or the other thing, and to further your own agenda even in the face of considerable odds or the presence of seemingly insurmountable obstacles. You have a way of minimizing difficulties so that you appear to be invulnerable -- and so you are, to a certain extent. You are not one to overreact to a setback of any kind.

THURSDAY, MAY 27  
**GEMINI (May 21-June 20)** -- What goes around comes around today -- though you can influence things in such a way that you maximize your gains and minimize any harm.

**CANCER (June 21-July 22)** -- You'll have a hard time freeing yourself of the restrictions another has placed on you. Focus on what you can do without changing things.

**LEO (July 23-Aug. 22)** -- You can see what someone is really made of today, and that one glimpse of the truth puts you in the running for something you've long sought.

**VIRGO (Aug. 23-Sept. 22)** -- Someone you know is trying something you fear -- but it's not up to you to stand in the way. Watch what happens, and learn from this key episode.

**LIBRA (Sept. 23-Oct. 22)** -- You have the ability to make the most complicated messages clear to the recipient, but you may not understand one that comes your way today.

**SCORPIO (Oct. 23-Nov. 21)** -- You can formulate a plan today that promises to bring you much notoriety -- but is there anything else you'll gain? There's more to be had.

**SAGITTARIUS (Nov. 22-Dec. 21)** -- Don't rest on your laurels today; do what you can with what you've been given, and see if you can't extend your winning streak further.

**CAPRICORN (Dec. 22-Jan. 19)** -- Another's needs may have to come before your own today, but you'll recognize that there are hidden benefits to be enjoyed as a result.

**AQUARIUS (Jan. 20-Feb. 18)** -- Someone is likely to open your eyes to a certain reality that you haven't yet acknowledged. This causes a subtle shift in your thinking.

**PISCES (Feb. 19-March 20)** -- You'll find that you have just enough time to finish today what you started yesterday -- or the day before. A friend lends a hand just in time.

**ARIES (March 21-April 19)** -- A lesson you've been trying to teach a friend or loved one finally sinks in today -- and you should consider this a personal victory.

**TAURUS (April 20-May 20)** -- You've been trying to steer clear of someone who, you suspect, will have an irresistible influence over you when your paths cross.
