HOROSCOPES by Stella Wilder

TUESDAY, JUNE 1, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you may be labeled a "loose cannon," for you can be quite inconsistent and unconventional in your approach to all aspects of your own life -- work, personal affairs, family, friends and even recreation. There are times when you may choose to put yourself in the hands of someone you consider to be more of an "expert" than you are when it comes to a given topic, but this may well prove to be erroneous, for you rely very much on your own instincts and emotions to shape your reactions to the world around you and the behavior that results.

WEDNESDAY, JUNE 2
GEMINI (May 21-June 20) -- You may be driven far off course for a time today, and getting back to your chosen path is likely to take more determination than expected.
CANCER (June 21-July 22) -- Getting a jump off the starting block may be more difficult than anticipated today -- but once you get started, you acquit yourself well.
LEO (July 23-Aug. 22) -- You know how to do what has to be done, but the reactions of others may take the wind out of your sails at one point. Recovery can be quick.
VIRGO (Aug. 23-Sept. 22) -- It's never too late to do the right thing, and today you'll know just what that is. Others are trusting you -- and depending on you, too.
LIBRA (Sept. 23-Oct. 22) -- You can inspire others just as they inspire you today. Together you can achieve something meaningful that will last a long, long time.
SCORPIO (Oct. 23-Nov. 21) -- Energy and enthusiasm are on the rise, and yet you may feel as though your creative abilities do not measure up. Put them to the test today!
SAGITTARIUS (Nov. 22-Dec. 21) -- You may be assigned a new project today before an old one has been completed to your satisfaction. Do you have what it takes to double up?
CAPRICORN (Dec. 22-Jan. 19) -- You may fear what someone is bringing to the table until you realize that its negative effects aren't likely to materialize.
AQUARIUS (Jan. 20-Feb. 18) -- Your suspicions about someone are likely to be proved true today -- but that doesn't mean you have to change tactics at this time.
PISCES (Feb. 19-March 20) -- You're in a position today to do what others cannot -- but are you really willing to stick out your neck? If not you, who? If not now, when?
ARIES (March 21-April 19) -- Something that has been developing slowly is finally recognized by others -- and now, at long last, you're able to do something about it.
TAURUS (April 20-May 20) -- You want things to transpire quickly and easily today, but that's not how things are meant to go. You must put in extra effort.
