tonight's best

Rebecca Breeds

8 p.m. on NBC Manifest

In the two-hour Season 3 finale, "Mayday," the Stones are reunited with Olive (Luna Blaise), but their collective joy is curtailed by the discovery that Cal (Jack Messina) has run away. As a lack of trust curdles Michaela's (Melissa Roxburgh) relationship with Jared (J.R. Ramirez), she and Zeke (Matt Long) race to keep a passenger from taking potentially deadly action.

8:31 p.m. on CBS United States of Al

Al (Adhir Kalyan) is filled with apprehension and dread when an unexplained veil of silence seems to drop over his family back in Afghanistan for a few days in the new episode "Blackout/Parchawi." As he watches his friend start to spin out of control with worry, Riley (Parker Young) starts to realize the immense stress his own stateside family must have endured during his deployment. Dean Norris, Elizabeth Alderfer, Kelli Goss and Farrah Mackenzie also star.

9 p.m. on WTBS The Cube

NBA All-Star Dwyane Wade hosts this new U.S. adaptation of a hit U.K. competition series in which contestant pairs must demonstrate their skill, determination and sheer nerve as they attempt seemingly straightforward mental and physical tasks. Unfortunately for them, those challenges become exponentially harder because they're confined in the titular glass box that seems to have a mind and attitude of its own. While trying to win the \$250,000 jackpot, each team can bring in Wade to compete on their behalf for one attempt only.

10 p.m. on CBS Clarice

Clarice (Rebecca Breeds) narrows her focus directly on Alastor Pharmaceuticals, the corporate entity behind the River Murders, in the new episode "Achilles Heel." After Julia Lawson (recurring guest star Jen Richards) alerts VICAP that the company is about to be sold, agents rush to Alastor to prevent executives there from purging any incriminating evidence. Clarice also questions Alastor CEO Nils Hagan (guest star Peter McRobbie), who tries to change the topic to Clarice's relationship with his son, Tyson (guest star Douglas Smith). Michael Cudlitz also stars.
