Jeremy Wade

5 p.m. on ANP River Monsters: Deadliest Man-Eaters

In the new episode "Monsters in the River," host Jeremy Wade takes viewers on a rip-roaring ride through the dark side of nature, combining action and adventure with mystery. Wade is on a hunt for freshwater fish that have developed a taste for human flesh. Moreover, if that makes some in the audience queasy, they likely won't feel any better as Wade deconstructs exactly how these river monsters are constructed to kill.

8 p.m. on NBC Movie: Minions

A spinoff prequel to the smash "Despicable Me" franchise, this 2015 computer-animated comedy from directors Pierre Coffin and Kyle Balda managed to earn more at the box office than the movie comedies that spawned it, recounting the origin story of the chattering yellow characters who exist (we learn) only to serve history's most despicably villainous masters. Co-director Coffin provides the voice of the Minions; the voice cast also includes Sandra Bullock, Jon Hamm, Allison Janney, Michael Keaton and Jennifer Saunders. Geoffrey Rush is the narrator.

11 p.m. on HBO Betty

Five young women continue their journeys of self-discovery against the male-dominated backdrop of the New York skateboarding scene as this gritty, character-driven drama returns for Season 2. These six new episodes open with a premiere called "Octopussy," which finds Kirt (Nina Moran) on her own quest. Elsewhere, Indigo (Ajani Russell) is finding neither personal nor financial fulfillment in her grocery store gig, but Honeybear and Ash (Moonbear, Katerina Tannenbaum) are all in with their relationship. Rachelle Vinberg and Dede Lovelace also star.
