HOROSCOPES by Stella Wilder

TUESDAY, JUNE 8, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you know how to make the best of almost any situation, and you can take what comes and use it in a manner to suit your own circumstances in order to maximize your rewards while others may have to go without. You are quick to size up a situation, and you can easily recognize when something is likely to benefit you or not -- and, if possible, you will jettison that which is not useful in favor of that which is.

WEDNESDAY, JUNE 9
GEMINI (May 21-June 21) -- You're tempted to dig deeper than usual today to uncover the hidden truth about an issue that has been troubling you for quite some time.
CANCER (June 21-July 22) -- Any attempt to fix the blame on someone else today will only backfire on you. Your best bet is to admit any wrongdoing -- and fix it!

LEO (July 23-Aug. 22) -- You may be rather baffled by recent decisions that are coming to fruition today in the most unusual and unexpected of ways. Hang in there!
VIRGO (Aug. 23-Sept. 22) -- You must apply a good deal of brainpower to a problem that arises early in the day if you're going to be out from under it by day's end.
LIBRA (Sept. 23-Oct. 22) -- You may doubt someone's veracity today, but are you really in a position to do something about it yet? Not all evidence is in.
SCORPIO (Oct. 23-Nov. 21) -- An instinctive response to someone's behavior is likely to get you into hot water today simply because it compels you to cross a line.
SAGITTARIUS (Nov. 22-Dec. 21) -- You can't afford to throw everything you have at one particular problem today, as you're going to have to deal with more than that.
CAPRICORN (Dec. 22-Jan. 19) -- You can make up for lost time today in a way that keeps you from being in the spotlight -- which will allow you to do all you need to do.

AQUARIUS (Jan. 20-Feb. 18) -- You can do all that is expected of you today and more -- but take care that you don't run yourself into the ground without thinking!
PISCES (Feb. 19-March 20) -- You'll enjoy a little more freedom today thanks to someone who has decided to call it quits and leave you in possession of the field.
ARIES (March 21-April 18) -- You'll get more than you bargained for today when the floodgates open and you're inundated with information, only some of which you can use!
TAURUS (April 20-May 20) -- You are responsible for more than you think you are today. Read the fine print if there is any, and you'll see clearly what else you must do.
