Fight the Power: The Movements That Changed America

Former NBA superstar Kareem Abdul-Jabbar is both narrator and an executive producer for this new one-hour special, which examines how vital social movements throughout American history have affected the nation's laws and general culture. Starting with the labor movement of the 1880s and the women's suffrage movement, through the civil rights demonstrations of the 1960s, protest has proven itself to be part of the national DNA, which continues to be true in the Black Lives Matter drive for criminal justice and the fight for LGBTQ rights.

Movie: Secrets of a Marine's Wife

Sadie Calvano ("Mom") stars in this 2021 true-crime docudrama about 19-year-old Erin Corwin, who was married to a U.S. Marine corporal and expecting their first child when she abruptly vanished. Two months later, after an exhaustive search through Joshua Tree National Park, Erin's body is found at the bottom of an abandoned mineshaft. As the close-knit military community closes ranks while wondering whether Erin was killed by one of their own, investigators discover the paternity of Erin's unborn child was a matter of conjecture. Evan Roderick and Andre Anthony also star.
