EOE.

HOROSCOPES by Stella Wilder

TUESDAY, JUNE 15, 2021

YOUR BIRTHDAY by Stella Wilder
Born today, you are able to look at things through a lens that is entirely of your own making, and thought you are surely an original thinker who prefers to work on unique projects that have sprung from your own vivid imagination, the fact is that you owe a debt of gratitude to those who have gone before, because even as a trailblazer yourself, you have borrowed ideas, strategies, tools and tactics from those who have already made the trek.

WEDNESDAY, JUNE 16

GEMINI (May 21-June 20) -- You think you're being fair, but you're doing everything you can to favor yourself and those on your team. Make adjustments today!

CANCER (June 21-July 22) -- Decisions today must be made in the right order. Otherwise, much that you've worked for will begin to fall apart. Priorities matter!

LEO (July 23-Aug. 22) -- You can do a little extra for someone in need today, and the reward you get will have you feeling 10 feet tall. The timing is right, surely.

VIRGO (Aug. 23-Sept. 22) -- You may find yourself traveling farther today than you had expected, and though this isn't by design, it certainly suits your mood!

LIBRA (Sept. 23-Oct. 22) -- Change is coming, but you must be sure to wrap up certain matters before considering anything new or different. Others are depending on you.

SCORPIO (Oct. 23-Nov. 21) -- You're likely to uncover a few bits of information today -- quite by accident. As a result, you'll be able to solve a long-standing mystery.

SAGITTARIUS (Nov. 22-Dec. 21) -- While one member of your team addresses a certain problem, you can be instrumental in starting a new phase of focused activity.

CAPRICORN (Dec. 22-Jan. 19) -- You may feel as though someone has put you on the spot, but you can avoid any hard feelings by realizing that it's your own doing!

AQUARIUS (Jan. 20-Feb. 18) -- You can have more of what you like so much, but you must take care that no one else is in need of what you may seem to be hoarding. Share!

PISCES (Feb. 19-March 20) -- You can acquit yourself quite well today by doing everything in the proper order and leaving no mess for anyone to clean up after you.

ARIES (March 21-April 19) -- You're sensing certain desires deep beneath the surface that feel somehow new to you -- though you know you're repeating a familiar pattern.

TAURUS (April 20-May 20) -- You encounter a hazardous obstacle that proves more stubborn than you were told. You must find out if someone has been misleading you.
