Annie Murphy

9 p.m. on AMC
Kevin Can F... Himself

Annie Murphy, who won an Emmy for her performance in the dysfunctional family comedy "Schitt's Creek," returns to series TV in this decidedly darker comedy that pays tribute to an often one-dimensional stock character: the Sitcom Wife. Murphy stars as Allison McRoberts, a smart beauty who is married to the far less attractive and boorish Kevin (Eric Petersen) until the day she finally wakes up and revolts against her relentlessly male-dominated life.
