tonight's best

Devyn Tyler

8 p.m. on ABC When Nature Calls With Helen Mirren

Academy Award-winning actress Helen Mirren narrates this light-hearted new venture (adapted from a hit British comedy series called "Walk on the Wild Side") that presents a variety of creatures going about their lives in spectacular natural backdrops. The comic element arrives in the form of dubbed-in commentary that purports to reflect the inner thoughts and attitudes of the featured animals.

10 p.m. on CBS Clarice

In the Season 1 finale "Family Is Freedom," scarcely has ViCAP uncovered the secrets behind the River Murders case than Clarice (Rebecca Breeds) finds herself imprisoned in an abandoned animal testing facility where trafficked women are being held against their will. Ardelia (Devyn Tyler) and Clarice's colleagues race to find her as Clarice tries desperately to rescue the captive women.

10 p.m. on NGEO Impact With Gal Gadot

The star of "Wonder Woman" hosts this new short-form documentary series that spotlights six women working to improve their communities around the world, in such diverse settings as Brazil, Puerto Rico and four U.S. states. Among the women featured are a 20-year-old Detroit figure-skating coach who trains young girls of color and helps empower them on and off the ice; the first female chief of a Native American tribe in Louisiana helping her people fight climate change; and a woman who uses "surf therapy" to help others recover from loss.

10 p.m. on WTBS Conan

Currently the longest-serving latenight talk show host in the United States, Emmy winner Conan O'Brien ends his long-running TBS series with a special one-hour finale with guest Jack Black that looks back at the past 11 seasons of O'Brien's extensive career, which previously included a stint on NBC. In sum, O'Brien's career in late-night has spanned three shows over 28 years. After tonight's finale, O'Brien will turn his attention to developing a new variety show for HBO Max, part of the same corporate family as TBS.
