YOUR BIRTHDAY by Stella Wilder
BORN today, you are nothing if not versatile, and your ability to transform yourself, whether slightly or a lot, in ways both subtle and dramatic, will be on full display from an early age -- and you may not know quite how to make the best use of this very special skill right away.

SCORPIO (Oct. 23-Nov. 21) -- You may not know quite what to do today in the face of a development that others are calling dangerous. Yours is a different perspective.
SAGITTARIUS (Nov. 22-Dec. 21) -- A recent misstep has taught you much about the situation you now find yourself in today. You can surely avoid repeating that mistake!
CAPRICORN (Dec. 22-Jan. 19) -- You cannot rise above the fray today if your thinking goes unchanged. If you correct your perception and attitude, all will be well.
AQUARIUS (Jan. 20-Feb. 18) -- Fear can be more dangerous to you today than any
